

The background of the cover is a detailed, painterly illustration of a geological landscape. It features prominent, layered rock formations in shades of brown, tan, and green, suggesting different geological strata. A tree with a textured, greyish-brown trunk and bare branches stands on the right side. In the lower left, there's a small stream or pool of water reflecting the surrounding environment. The overall style is that of a classic geological field sketch or a naturalist's painting.

America's Natural Places: The Midwest Jason Ney, Terri Nichols, 2009-11-25

From Iowa's Decorah Ice Cave to the Kitty Todd Nature Preserve in Ohio this volume provides a snapshot of the most spectacular and important natural places in the Midwestern United States. *America's Natural Places: The Midwest* examines over 50 of the most spectacular and important areas of this region with each entry describing the importance of the area, the flora and fauna that it supports, threats to the survival of the region, and what is being done to protect it. Organized by state within the volume, this work informs readers about the wide variety of natural areas across the Midwest and identifies places near them that demonstrate the importance of preserving such regions. *Art and Beauty in the Heartland* Jan Stilson, 2006

In 1919 eight Chicago White Sox ballplayers teamed up with gamblers to throw the World Series to the Cincinnati Reds. The eight players were banned for life from organized baseball for their involvement in or knowledge of the fix, and because of the scandal the players came to be known as the Black Sox. One of the Black Sox was Charles Swede Risberg. Swede Risberg came to Minnesota in 1922 with a team called the Mesaba Range Black Sox, and he went on to play for Rochester, Minnesota, in 1923, 1924, and 1926. Swede also played for Scobey, Montana, in 1925, Watertown, South Dakota, in 1926 and 1927, Virden, Manitoba, Canada, in 1929, Jamestown, North Dakota, in 1929 and 1930, and Sioux Falls, South Dakota, in 1931 and 1932. This book documents the career of Swede Risberg in semi-professional baseball from June 1922 through the 1932 season with the Sioux Falls Canaries. Although this book presents detailed statistical information on Swede's post-White Sox career in semi-professional baseball, the book goes beyond a dry accounting of innings pitched, at bats, and hits. Swede played against many different teams and many different individuals. Some of these teams and individuals are themselves interesting stories. Swede would never have played in games against teams with only African American players or against integrated teams if he had remained in professional baseball, and Swede would not have played on integrated teams if he had remained in the major leagues. Unfortunately, some of the detail about Swede's career in semi-professional baseball is lost forever as newspaper summaries were sometimes not complete, negatives of pictures have been destroyed, and the people that played the games are gone. Even with these limitations, I hope that you enjoy the story of Swede Risberg's life in semi-professional baseball.
