Dont Forget To Share The Crucial Last Step In The Writing Workshop:

Don't Forget to Share Leah Mermelstein, 2007 I m certain that you ll feel excited to try out the different kinds of share sessions that Leah discusses and that she will give you the know how and confidence you ll need to be successful Carl Anderson Author of Assessing Writers Traditionally the writing workshop is a three part framework a minilesson writing time and a share session Because much attention has been given to lessons and conferencing the share session has sometimes seemed like an afterthought rather than an opportunity for children to look closely at their writing process and discuss it with others No more With Don t Forget to Share Leah Mermelstein helps you recognize the importance of this aspect of the workshop and shows you ways to get maximum instructional impact from it Don't Forget to Share is the first book to take on the share session in depth revealing why it s essential to the success of writing workshop Mermelstein presents insight and smart ideas for conducting share sessions that honor and reinforce individual kids accomplishments while at the same time offering them a safe way to get input from other writers From setting up share sessions to facilitating them she presents shares that promote rich conversations that support students improvement in four specific areas of writing content craft process progress With in action transcripts of teachers and students helpful tips for working with English language learners and struggling writers suggestions for matching children to share activities and samples of effective teaching language Don t Forget to Share has everything you need to not only invest your teaching time in share sessions but to make them work for you and your students So if you re looking for a new way to ramp up the power of your writing workshop take the advice of Welcome to Writing Workshop Lynne Dorfman, Stacey Shubitz, 2023-10-10 Leah Mermelstein and Don t Forget to Share Stacey Shubitz and Lynne Dorfman welcome you to experience the writing workshop for the first time or in a new light with Welcome to Writing Workshop Engaging Today's Students with a Model That Works Through strategic routines tips resources and short focused video clips teachers can create the sights and sounds of a thriving writing workshop where Both students and teachers are working authors Students spend most of their time writing not just learning about it Student choice is encouraged to help create engaged writers not compliant ones Students are part of the formative assessment process Students will look forward to writing time not dread it From explanations of writing process and writing traits to small group strategy lessons and mini lessons this book will provide the know how to feel confident and comfortable in the Fostering Learner Independence Roxann Rose-Duckworth, Karin Ramer, 2009 Learner Independence teaching of writers student success This resource examines the importance of supporting students to become independent learners thinkers and problem solvers Educators will find essential information checklists and useful tips for helping students learn to work independently establish strong work habits problem solve and develop authentic personal independence to serve them throughout life The authors provide reflective questions and encourage teachers to reflect on how they teach and learn in order to identify practices that most effectively foster student self sufficiency. The bookillustrates ways that teachers can

nurture independence through Assessment Classroom environmentDifferentiationEvaluationPlanning Sharing the Blue **Crayon** Mary Anne Buckley, 2023-10-10 Social and emotional learning is at the heart of good teaching but as standards and testing requirements consume classroom time and divert teachers focus these critical skills often get sidelined In Sharing the Blue Crayon Mary Anne Buckley shows teachers how to incorporate social and emotional learning into a busy day and then extend these skills to literacy lessons for young children Through simple activities such as read alouds sing alongs murals and performances students learn how to get along in a group empathize with others develop self control and give and receive feedback all while becoming confident readers and writers As Buckley shares Every day we ask young children to respectfully converse question debate and collaborate about literature science math problems history and more That s sophisticated stuff and requires sophisticated skills Social and emotional skills are essential to helping children communicate their knowledge and articulate their guestions We must teach students how to build respectful caring classroom communities where students are supported and fully engaged in the learning and everyone can reach their potential In this fresh and original book Buckley captures the humor wonder honesty and worries of our youngest learners and helps teachers understand how to harness their creativity and quide their conversations toward richer expressions of knowledge Teachers of special populations will especially appreciate Buckley's successful strategies for reaching English language learners and children from high poverty homes who may not have strong foundations for academic discourse As Buckley reminds us By understanding one another orally and socially at first then using those community building exchanges to strengthen the skills of reading and writing we experience the authentic pride and sweet joys of learning understanding and connecting to one another Teaching with the Common Core Standards for English Language Arts, PreK-2 Lesley Mandel Morrow, Timothy Shanahan, Karen K. Wixson, 2012-11-29 Nearly every state has independently adopted the Common Core State Standards CCSS making this practical guide an indispensable resource for PreK 2 teachers and teachers in training Leading authorities explain each of the English language arts ELA standards and vividly show how to implement them The book is filled with grade specific classroom vignettes instructional strategies and activities sample lesson plans and discussion questions Chapters cover the major ELA strands reading literature informational texts and foundational skills writing speaking and listening and language Issues of assessment and technology integration are also explored An appendix includes thematic units for each grade level demonstrating ways to embed CCSS ELA standards into content area instruction See also Teaching with the Common Core Standards for English Language Arts Grades 3 5 Reading for Real Kathy Collins, 2008 Just as adults join clubs to share and talk about common interests reading clubs allow kids to immerse themselves in topics and ideas they care about whether it s turtles fairy tales a beloved author a favorite new series or the desire to get better at reading aloud to a baby brother or sister While they are reading and talking about their interests and passions students in reading clubs are also orchestrating all of the reading skills and strategies they ve learned and applying

them in real life ways While Kathy presents ideas for implementing reading clubs during reading workshop in a balanced literacy framework the information she provides will be helpful for any teacher who wants to foster the joy of reading by offering students support and opportunities to read for authentic purposes and to have conversations about topics that interest and engage them After all we don't just want kids to learn to read we want them to love to read BOOK JACKET
