Bob Dylan Spencer Leigh, 2020-05-24 Bob Dylan Outlaw Blues by Spencer Leigh is a fresh take on this famous yet elusive personality a one man hall of mirrors who continues to intrigue his followers worldwide. It is an in depth account with new information and fascinating opinions both from the author and his interviewees. Whether you are a Dylan fan or not you will be gripped by this remarkable tale. Most performers create their work for public approval but at the centre of this book is a mercurial man who doesn't trust his own audience. If he feels he is getting too much acclaim he tends to veer off in another direction. Despite his age Bob Dylan still tours extensively. Famously known for not looking happy the author looks at what motivates him. Journalists are very fond of saying Bob Dylan is an enigma says Spencer Leigh but that word is flawed. It's as good as saying you don't know. I have not called Bob Dylan an enigma at any point in the book as I have tried to find answers. Spencer Leigh has spoken to over 300 musicians friends and acquaintances of Bob Dylan in his research for this book

The Pretty Place Laura Leslie, 2020-11-30 Ivy Marshall wasn't expecting the summer before starting high school to end the way it did. She had so many plans from exploring the sprawling back fields of her town with her best friend Robyn to swimming in the muddy waters of Lake Scugog. Becoming the neighbourhood outcast when her mother became ill didn't quite fit into her itinerary. Ivy hadn't anticipated that the summer would bring death so somewhere along the way she decided it never had. Almost two decades later Ivy's buried secret still follows her around everywhere she goes affecting every misguided decision she makes as an adult silently weighing down each step she takes away from her little town. The Pretty Place her childhood refuge harbours tragedy just beneath the surface but only there can she unearth the truth. The Pretty Place is a dark comedic coming of age novel that illuminates the importance of mental health awareness and acceptance while reminding us all of how powerful the mind can be even in the absence of remembrance
