

## **If You Dont Mind (Through My Eyes)**

**Take this last seconds  
Before its gone forever  
Set your sight to look into my eyes  
Look deeply not only to be on eyes  
but in heart and mind to be last  
In this world i am another cast  
But life just moved so fast**

**Through my eyes  
Through the key to my inside  
A gate to meet my soul in heart  
After years, i wonder what you've seen  
What you've found in me through them  
May you claim color of our past  
To color memories later in your life  
Find all in very last time,  
Through eyes of mine**

**Like mirror to myself  
Everything i've seen through yours is the ocean  
Where i see my reflection at the center  
Swimming and drowning in the tears  
Through your clear oceans  
Those tender eyes of yours  
But dont let drown me in tears  
Because there is no end to eternity  
The place for beautiful memory**

**Though moment will finally be past  
But now, find all treasures in my eyes  
Because there's too much to say  
Too little time we've  
So go diving deeper as you could  
Claim all hidden words  
Take this final seconds  
Fix our past to be last  
For very last through my eyes  
Look deeply not only to be on eyes  
but in heart and mind to be last**

**And if my last breath has passed  
I left all my beautiful life  
To stay with you  
To live in you  
From my spoken eyes to your keeping heart  
If you dont mind**

**The Poetry of Thom Gunn** Stefania Michelucci,2008-12-24 Thom Gunn served as a mouthpiece for his time illustrating the social cultural and historical transformations that have characterized western civilization from World War II until today Starting with theoretical premises drawn from philosophy anthropology and sociology this work examines Thom Gunn's entire poetic career In Gunn's early poetry the author argues the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships In Gunn's later poetry the author notes a gradual opening to human relationships and to Nature which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality

**Don'T Shy Away** Janet Auster,2018-02-20 What seems like a disaster to me a fire truck nearly smashing me to death becomes a happening that opens up my eyes to the truth and beauty of the world and the people that inhabited it So often people are afraid and try to solve mysteries that never really tell them anything about their situation Relationships with people no matter how remote they seem can often end up releasing a human heart that can make people find out who they really are
