**The Note** Christopher Cromwell,2015-10-07 Bertrand is a street musician who s often found screaming on the boulevards and squares of Amsterdam Most chose to ignore him that is until his synapses line up giving him the ability to make music that is divined from the ether It s been said that music is one of the only activities that activates stimulates and uses the entire brain Could Bertrand s music be a conduit to our shared celestial mind the medium bridging the conscious to the unconscious world Many of the Gypsies and Street people who follow him like a God believe so What they don t know is that Bertrand was a child prodigy back in the U S a child of wealthy New Yorkers with an inheritance that others want to take charge of They want him back on his meds that control his schizophrenia and render him docile meds that close the door to his musical genius and his ability to touch others to the very core of their being Christopher takes you into the depths of Bertrand s world a world sizzling with music and the characters on the fringe that make it on its most primal level And alternately into the world of those that could care less whose only motivation is money

**Note for Note (Another Pentateuch)** Marcus M Cornelius,2008-11-14 In this daring exploration of primeval consciousness Marcus Cornelius has seemingly managed to convey the unknowable In an achievement of literary genius he has given extraordinary expression to an inchoate time before history The inspired prose flows with a richly dense imagery containing astonishingly eloquent passages that are demanding and uncompromising One finishes Plough enlightened and changed led to the deepest reaches of the psyche to places in the self that are almost beyond the capacities of language There is not a word out of place A remarkable tour de force that will forever change how you read a book

**Down and Out Today** Matthew Small,2015-10-01 Enlightening and startling The world needs more writers like Matthew Small Charlie Carroll Brings into sharp relief the realities of poverty inspiring and uplifting Tracy Shildrick A fascinating insight into what it feels like to live on the streets of the UK and India today Joanna Mack Poverty stretches across all of humanity and by travelling East Small encounters the raw faces of poverty in India s slums he works in a leprosy community and joins the Sisters of Mercy on the smoggy and exhilarating streets in Calcutta He then returns to the UK to Bath to see what the passing of three months means to those who are scarred by one of the most unglamorous of all humanities ills being poor Small engages with different community members who are living with poverty to answer these long standing questions What s keeping them down What s pushing them out And how can we move forward
