Liberation Through Reconciliation Orfilio Ernesto Valiente, 2016 In the last one hundred years alone more than 200 million people have been killed as a consequence of systematic repression political revolutions and ethnic or religious war The aftermath in places such as Rwanda Central America and South Africa have shown that achieving a lasting and just reconciliation is a difficult and delicate task This book argues that there is an inherent correspondence between God's gift of reconciliation through Christ and the pursuit of social and political reconciliation among human beings *Liberation through Reconciliation* O. Ernesto Valiente, 2015-12-01 In the past one hundred years alone more than 200 million people have been killed as a consequence of systematic repression political revolutions or ethnic or religious war The legacy of such violence lingers long after the immediate conflict Drawing on the author's experiences of his native El Salvador *Liberation through Reconciliation* builds on Jon Sobrino's thought to construct a Christian spirituality and theology of reconciliation that overcomes conflict by attending to the demands of truth justice and forgiveness **Spirituality and Reconciliation** Tom Curran, 1997 **Reconciliation** Janez Juhant, Bojan Žalec, 2012 The book considers reconciliation from various points of view biblical foundations of reconciliation philosophical aspects Girardian and Bonhoefferian reflections on reconciliation intellectual and post totalitarian history psychotherapeutic approaches The authors consider reconciliation also in very concrete historical contexts Hungary Russia Slovenia Islam and Christianity Despite some disagreements their common message is clear human history and present times are covered with blood suffering of innocent victims and negative emotions Hence the only acceptable way is cultivation of the culture of reconciliation **The Ministry of Reconciliation** Robert J. Schreiter, 1998 *Gospel Reconciliation* Jeremiah Burroughs, 2024-07-02 In this volume of the Gospel Life series Jeremiah Burroughs reminds us of Christ's work in reconciliation so that we can rejoice in our peace with God *Being Reconciled* John Milbank, 2003 Both a critique of post Kantian modernity and a new theology that engages with issues of language culture time politics and historicity *Being Reconciled* insists on the dependency of all human production and understanding on a God who is infinite in both utterance and capacity
