Chapter 2

Managing Stress and Time

CHAPTER OVERVIEW

Managing stress and time management are critical not only for employee well-being but also for performance and organizational effectiveness. Unmanaged stress costs employers billions of dollars each year. This chapter presents models of stress that focus on the primary sources of stress and how to combat them. Additionally, as time pressures are a major source of stress, the chapter presents strategies for effective time management.

LEARNING OBJECTIVES

KNOWING OBJECTIVES

1. Know the most common causes of stress and identify effective stress management interventions for them
2. Identify and describe evidence for effective stress management interventions
3. Recognize the most common time management traps and the effective time management techniques to avoid them
4. Identify the characteristics of workplace cultures that reduce stress while retaining high performance

DOING OBJECTIVES

1. Diagnose your own (and a colleague's) sources of stress and apply evidence-based strategies to manage stress
2. Adapt research-supported strategies to minimize choking in pressure situations
3. Implement effective time management techniques
4. Facilitate workplace characteristics that promote high performance, health, and low stress
