Be Like God Ron Wolfson, 2012 This inspirational guide for kids ages eight to twelve is a marvel showing them and their families that it's easy to become God's partner on earth figure out what God does in the Bible then do it Back cover **The Death of Death** Neil Gillman, 1997 Does death end life or is it the passage from one stage of life to another In *The Death of Death* noted theologian Neil Gillman offers readers an original and compelling argument that Judaism a religion often thought to pay little attention to the afterlife not only presents us with rich ideas on this subject but delivers a deathblow to death itself Combining astute scholarship with keen historical theological and liturgical insights Gillman outlines the evolution of Jewish thought about bodily resurrection and spiritual immortality Beginning with the near silence of the Bible on the afterlife he traces the development of these two doctrines through Jewish history He also describes why today somewhat surprisingly more contemporary Jewish scholars including Gillman have unabashedly reaffirmed the notion of bodily resurrection In this innovative and personal synthesis Gillman creates a strikingly modern statement on resurrection and immortality *The Death of Death* gives new and fascinating life to an ancient debate This new work is an intellectual and spiritual milestone for all of us interested in the meaning of life as well as the meaning of death **The Messiah and the Jews** Elaine Rose Glickman, 2013 A comprehensive inspiring and fascinating discovery of what Jews believe about the Messiah and why you might believe in the Messiah too The conviction that the Messiah is coming is a promise of meaning It is a source of consolation It is a wellspring of creativity It is a reconciliation between what is and what should be And it is

perhaps our most powerful statement of faith in God in humanity and in ourselves from Chapter 1 The Messiah Is Coming The coming of the Messiah the promise of redemption is among Judaism's gifts to the world But it is a gift about which the world knows so little It has been overshadowed by Christian belief and teaching and as a result its Jewish significance has been all but lost To further complicate matters Jewish messianic teaching is enthralling compelling challenging exhilarating yet up until now woefully inaccessible This book will change that Rabbi Elaine Rose Glickman brings together and to life this three thousand year old tradition as never before Rather than simply reviewing the vast body of Jewish messianic literature she explores an astonishing range of primary and secondary sources explaining in an informative yet inspirational way these teachings significance for Jews of the past and infuses them with new meaning for the modern reader both Jewish and non Jewish
