Dr David Brownstein Natural Health:

Immunity Strong Robert G. Lahita, 2022-01-05 There is a biological force within the body that wants you to live to old age While conventionally this force is known in medicine as the immune system Dr Bob calls it The Biological Soul The Biological Soul is designed to protect you and allow you to live a healthy life This force is tangible measurable lives within the physical body and determines our age and wellbeing through life It is physical and complex and in many ways spiritual It is affected by life s stresses by diets and by overall health and though not immortal it both shapes your life and your life shapes it IMMUNITY STRONG walks readers through how the immune system works what makes it implode or keeps it safe and what modern science reveals about how it connects to every part of the body to keep it alive as the seat of our Biological Soul Written in Dr Bob s trade mark down to earth style the book explains that the normal immune system functions like a police department protecting the body from harm While as a nation we have recently been focused on the effects of infections the book reveals that it is important to note that disorders of immunity are at the root of most diseases that shorten or impact our lives From chronic pain and fatigue syndromes heart disease and clogged arteries and even the ability to recognize and destroy cancer to multiple sclerosis lupus celiac disease rheumatoid arthritis and autoimmune disorders are all linked to one or another glitch in the immune system The purpose of this book is to provide significant information on the incredible complexity of the immune system and how the integration of spiritual scientific and emotional values can enhance health It is Dr Bob s hope that readers will find a new appreciation of the miracle that is the physical body and to understand the potential within our Biological Soul to promote longevity and overall happiness to life IMMUNITY STRONG Boost Your Body s Natural Healing Power and Live to 100 is a must read for anyone wishing to nurture and enhance their health **The Last**

Days of New York Seth Barron, 2021-06-01 Barron cuts through the noise and provides a devastating account of a city s decline under the delusional leadership of socialists and con men GREG KELLY host of Newsmax Greg Kelly Reports THE LAST DAYS OF NEW YORK A Reporter s True Tale tells the story of how a corrupted political system hollowed out New York City leaving it especially vulnerable all in the name of equity and fairness When in the future people ask how New York City fell to pieces they can be told quoting Hemingway gradually then suddenly New Yorkers awoke from a slumber of ease and prosperity to discover that their glorious city was not only unprepared for crisis but that the underpinnings of its fortune had been gutted by the reckless mismanagement of Bill de Blasio and the progressive political machine that elevated him to power Faced with a global pandemic of world historical proportions the mayor dithered offering contradictory unscientific and meaningless advice The city became the world s epicenter of infection and death The protests riots and looting that followed the death of George Floyd and the resurgence of the Black Lives Matter movement cheered on and celebrated by the media and political class accelerated the crash of confidence that New York City needed in order to rebound quickly from the economic disaster Through reckless financial husbandry by sowing racial discord and resentment by enshrining a

corrosive pay to play political culture that turned City Hall into a ticket office and by using his office as a platform to advance himself as a national political figure Bill de Blasio set the stage for the ruin of New York City He has left the city vulnerable to the social economic and cultural shocks that have leveled its confidence and brought into question its capacity to absorb the creative energies of the world and reflect them back in the form of opportunity and wealth as it has done for hundreds of years As New Yorkers slowly adjust to their new reality they ask themselves how we had been so unprepared not so much for the coronavirus which caught everyone by surprise but for the economic shock which was at least foreseeable THE LAST DAYS OF NEW YORK is the story of how a lifelong political operative with no private sector experience assumed control of a one party city where almost nobody bothers to vote and then proceeded to loot the treasury on behalf of the labor unions race hustlers and connected insiders who had promoted him to power Bill de Blasio s term in office in New York City is a demonstration of what those impulses actually produce debt decay and bloat THE LAST DAYS OF NEW YORK A Reporter s True Tale is a history of New York City from its recovery from the recession of 2008 2009 through the triple disaster of the pandemic civil unrest and collapse in revenue of 2020 Mayor Bill de Blasio now widely appreciated as the WORST mayor in the history of the city is presented as the instrument of decline a key symptom of the rot that expedited the city s downfall

The Power of Fastercise Denis Wilson,2019-10-17 A revolutionary program of short burst high intensity exercise that uses your body s signals to curb hunger as it burns fat and builds muscle Over the last 26 years thyroid pioneer Denis Wilson MD has trained thousands of physicians on the crucial relationships between the thyroid system metabolism and body temperature He s heard patients recount their inability to get fit using conventional approaches and he s understood their frustration Based on the latest medical research Dr Wilson has created fastercise a revolutionary practice that uses brief strategically timed bursts of exercise to cancel hunger pangs allowing people to more easily stick to a healthy eating plan and shift their bodies toward becoming leaner faster smarter stronger and healthier Fastercise holds the promise of vindicating and liberating many of those who have struggled to improve their fitness enabling them to transform their lives and reach their full potential By combining simple analogies and clear explanations of the physiology of the body s energy pathways and response to food and exercise Dr Wilson reveals how conventional approaches to dieting and weight management can actually fight against the body s priorities and lead to frustration and poor results Fastercise is a time efficient convenient and natural approach powerfully signals the body to burn fat and build muscle synergistically leading to surprisingly beneficial and quick results The Power of Fastercise explains how fastercise can help you Burn fat without going hungry Build your mitochondria to burn more fat and provide greater energy Stimulate muscle growth in just a few minutes a day Shift your body composition to less fat and more muscle Boost your body temperature and metabolic rate Look and feel younger Increase mental focus learning and productivity Decrease insulin resistance Decrease inflammation and improve immune function Improve respiratory fitness and athletic performance Get great results with any healthy diet including low

carb and high carb In this groundbreaking book Dr Wilson lays out simple practical strategies for combining fastercise with smart eating choices Fastercise can provide excellent results for a wide range of people seasoned athletes fitness enthusiasts and even those who dislike exercising or have physical limitations Whatever your fitness goals are fastercise can help you achieve them *How to Get Yourself Infected By Chronic Good Health* Carl J Hagelstam, 2014-03 This book is about one man's successful quest to reverse his cardiovascular disease and his wife's stage 3 lung cancer in their own home without mainstream pharmaceuticals chemotherapy or radiation Most importantly he describes the value of addressing one's overall health condition at a cellular level in order to avoid the lurking threat of developing any number of other diseases and conditions While applying these therapies and procedures the only side effect ever noticed by the author and his wife appeared to be the gradual and steadily growing sense of good health Although the author is not a licensed medical doctor the therapies he and his wife strictly followed for heart disease and lung cancer are described here in full detail You decide

Heal Your Leaky Gut David Brownstein, 2017-08-08 Most illnesses start in the gut including many you would not even think of If your gut isn't functioning right it sets the stage for illness and disease The gut the gastrointestinal system is designed to absorb nutrients that support our bodies and help us make energy and get rid of things that we don't need or are toxic But what happens when the system breaks down Leaky gut syndrome LGS occurs when the lining of the small intestine is damaged allowing foreign compounds to escape into your bloodstream which weakens your immune system and triggers autoimmune reactions Traditional physicians don't understand what LGS is much less how to diagnose and treat it In fact it is estimated that more than 80 percent of people with chronic illnesses have leaky gut an overgrowth of bad bacteria or not enough good bacteria Here are some symptoms that may be caused by LGS Digestive complaints acid reflux IBS Crohn's disease Joint and muscle pain arthritis Obesity and food allergies Headaches depression anxiety ADHD Itchy skin rashes eczema acne rosacea psoriasis In *Heal Your Leaky Gut* Dr David Brownstein will explain how the gut like the brain heart and liver needs to be properly nourished in order for it to function correctly Simply stated if your gut is not healthy your immune system is going to suffer Improving your gut health and taking fewer drugs will help you feel better and look younger improve your brain function and treat myriad medical conditions This book will give you all the information you need to change what you are now doing so you can have optimal gut health and as a result overall health and well being

Cancer Survival Guide Charlotte Libov,2016 The Cancer Survival Guide will lead you through what will undoubtedly be the most crucial healthcare decisions you ll ever make This definite manual to understanding managing and preventing the diseases offers the most comprehensive and up to date information Rely on the Cancer Survival Guide to address every facet of this illness that not only affects the sufferer s physical well being and lifestyle but one whose reverberations are also felt emotionally and spiritually impacting family friends and caregivers alike [Omega 3 and Vitamin D Secrets !](#) Svein Torgersbraten,2011-07-21 The book Omega 3 and vitamin D secrets How do you obtain a healthy level of Omega 3 and vitamin D these days contains new information about an old discovery made by a doctor in biochemistry in the USA in the 1940s With his research he discovered why most people do not get much health benefit from the meals with wild fish free range eggs grass feed beef and fish supplements For whatever reasons his important discovery and solution to obtain a healthy level of Omega 3 and vitamin D plus the other lipids has remained a secret to most people With his research the doctor discovered that very little of the important lipids in marine oil or food rich in these lipids would reach all the cells in the skin and body with the normal method of eating and drinking Already at that time it was noticed that a lot of people got dry skin and body with the associated illnesses These days some doctors involved in the research of these important lipids think we have reached a worldwide vitamin D deficiency of epidemic proportions with more than 1 billion people at risk for associated illnesses As soon as you understand how our modern way of life have influenced our digestion absorption and transport of the essential fatty acid Omega 3 and the oil soluble vitamin D in the body compared to previous generations it should be easier to understand why many people get dry skin and body these days With this knowledge it should also be easier to understand what you need to do to obtain a healthy level of Omega 3 and vitamin D together with the other oil soluble vitamins to correct or avoid dry skin and body and the associated illnesses What are these associated illnesses According to scientific research lack of these important lipids cause oxidative stress or inflammation at the cellular level Most of our serious illnesses related to heart arteries arthritis osteoporosis lung asthma diabetes kidney eyes cancer etc and the not so serious illnesses such as dry ski dry hair bleeding gums depression digestive problems pain hearing loss etc seem to develop because of oxidative stress or inflammation at the cellular level Add fertility problems autism and birth complications and What is a healthy level of these important lipids and how can I be sure that I have a healthy level of these

lipids This is what the doctor in biochemistry discovered back in the 1940s With this information your starting question could be What changes have we made to our way of living and eating compared to previous generations which give us lack of the essential fatty acids Omega 3 and the oil soluble vitamin D That information and much more is the topic of the book **The Truth About Contagion** Thomas S. Cowan, Sally Fallon Morell, 2021-02-22 For readers of Plague of Corruption Thomas S Cowan MD and Sally Fallon Morell ask the question are there really such things as viruses Or are electro smog toxic living conditions and 5G actually to blame for COVID 19 The official explanation for today s COVID 19 pandemic is a dangerous infectious virus This is the rationale for isolating a large portion of the world s population in their homes so as to curb its spread From face masks to social distancing from antivirals to vaccines these measures are predicated on the assumption that tiny viruses can cause serious illness and that such illness is transmissible person to person It was Louis Pasteur who convinced a skeptical medical community that contagious germs cause disease his germ theory now serves as the official explanation for most illness However in his private diaries he states unequivocally that in his entire career he was not once able to transfer disease with a pure culture of bacteria he obviously wasn t able to purify viruses at that time He admitted that the whole effort to prove contagion was a failure leading to his famous death bed confession that the germ is nothing the terrain is everything While the incidence and death statistics for COVID 19 may not be reliable there is no question that many people have taken sick with a strange new disease with odd symptoms like gasping for air and fizzing feelings and hundreds of thousands have died Many suspect that the cause is not viral but a kind of pollution unique to the modern age electromagnetic pollution Today we are surrounded by a jangle of overlapping and jarring frequencies from power lines to the fridge to the cell phone It started with the telegraph and progressed to worldwide electricity then radar then satellites that disrupt the ionosphere then ubiquitous Wi Fi The most recent addition to this disturbing racket is fifth generation wireless 5G In *The Truth About Contagion Exploring Theories of How Disease Spreads* bestselling authors Thomas S Cowan MD and Sally Fallon Morell explore the true causes of COVID 19 On September 26 2019 5G wireless was turned on in Wuhan China and officially launched November 1 with a grid of about ten thousand antennas more antennas than exist in the whole United States all concentrated in one city A spike in cases occurred on February 13 the same week that Wuhan turned on its 5G network for monitoring traffic Illness has subsequently followed 5G installation in all the major cities in America Since the dawn of the human race medicine men and physicians have wondered about the cause of disease especially what we call contagions numerous people ill with similar symptoms all at the same time Does humankind suffer these outbreaks at the hands of an angry god or evil spirit A disturbance in the atmosphere a miasma Do we catch the illness from others or from some outside influence As the restriction of our freedoms continues more and more people are wondering whether this is true Could a packet of RNA fragments which cannot even be defined as a living organism cause such havoc Perhaps something else is involved something that has upset the balance of nature and made us more susceptible to disease Perhaps

there is no coronavirus at all perhaps as Pasteur said the germ is nothing the terrain is everything *The Whole-Food Guide for Breast Cancer Survivors* Edward Bauman, Helayne Waldman, 2012-02-02 If you're a breast cancer survivor chances are you have renewed your commitment to maintaining your good health and taking care of your body As one of the best preventative measures known to doctors and nutritionists today a robust cancer fighting diet is vital to your personal plan for breast cancer prevention The Whole Food Guide for Breast Cancer Survivors is an essential guide for every woman seeking to understand the effect of nutritional deficiencies and environmental factors on her overall health and wellness Based on Edward Bauman's groundbreaking Eating for Health model this highly comprehensive practical approach can help you reduce the chance of breast cancer recurrence rebuild your immune system and enjoy a stronger healthier body Reduce the chance of breast cancer recurrence by Incorporating cancer fighting foods into your diet Indulging in safe nontoxic cosmetics and body care products Understanding the role of essential nutrients in maintaining your health Managing your weight and balancing your blood sugar Nourishing your immune detoxification and digestive systems **Heal Thyself, Optimum**
