quietly and bizarrely sold his company with the contract to the biggest pot smuggler on the East Coast Ben Kramer It was a quintessential Miami moment maybe the Miami moment of all time Why did he do that At the time the public didn't know what he did Years later NBC News broke the story Said Tom Brokaw By the time drug agents on the trail put it all together the Kramers and the government were already partners That's right the boats the Customs Service uses to catch drug smugglers were built for Customs by convicted drug dealers who used laundered drug money to buy the boat company And you thought you'd heard everything Actually the feds had found out and made Aronow undo the sale But a year later a grand jury was poised to indict Kramer and subpoenaed Don to testify The day before he would have he was murdered in broad daylight Nobody saw the shots but they heard them and then the high pitched whine of his shiny white Mercedes sports coupe the gas pedal floored by his dead foot full throttle And they saw the shooter's black Lincoln Town Car get away Somebody was afraid of what he was going to say The cops concluded it was Kramer and everyone who thought that was right But actually Kramer seemed the least affected by what Don probably would have testified to and his absence didn't stop two grand juries from indicting Kramer and two trial juries from convicting him Were the waters deeper than that

MotorBoating, 2010-03 Last Call Daniel Okrent, 2010-05-11 A brilliant authoritative and fascinating history of America's most puzzling era the years 1920 to 1933 when the U.S. Constitution was amended to restrict one of America's favorite pastimes drinking alcoholic beverages From its start America has been awash in drink The sailing vessel that brought John Winthrop to the shores of the New World in 1630 carried more beer than water By the 1820s liquor flowed so plentifully it was cheaper than tea That Americans would ever agree to relinquish their booze was as improbable as it was astonishing Yet we did and Last Call is Daniel Okrent's dazzling explanation of why we did it what life under Prohibition was like and how such an unprecedented degree of government interference in the private lives of Americans changed the country forever Writing with both wit and historical acuity Okrent reveals how Prohibition marked a confluence of diverse forces the growing political power of the women's suffrage movement which allied itself with the antiliquor campaign the fear of small town native stock Protestants that they were losing control of their country to the immigrants of the large cities the anti-German sentiment stoked by World War I and a variety of other unlikely factors ranging from the rise of the automobile to the advent of the income tax Through it all Americans kept drinking going to remarkably creative lengths to smuggle sell conceal and convivially and sometimes fatally imbibe their favorite intoxicants Last Call is peopled with vivid characters of an astonishing variety Susan B. Anthony and Billy Sunday William Jennings Bryan and bootlegger Sam Bronfman Pierre S. du Pont and H. L. Mencken Meyer Lansky and the incredible if long forgotten federal official Mabel Walker Willebrandt who throughout the twenties was the most powerful woman in the country Perhaps most surprising of all is Okrent's account of Joseph P. Kennedy's legendary and long misunderstood role in the liquor business It's a book rich with stories from nearly all parts of the country Okrent's narrative runs through smoky Manhattan speakeasies where relations

between the sexes were changed forever California vineyards busily producing sacramental wine New England fishing communities that gave up fishing for the more lucrative rum running business and in Washington the halls of Congress itself where politicians who had voted for Prohibition drank openly and without apology Last Call is capacious meticulous and thrillingly told It stands as the most complete history of Prohibition ever written and confirms Daniel Okrent's rank as a major American writer **Yachting** ,1994-09 **Boating** ,1997-01 Hitmen Scott M. Deitch,2022-06-15 From the author of the star reviewed Garden State Gangland comes an in depth expos on East Harlem's notorious Purple Gang whose murderous exploits became a media obsession and Mafia lynchpin In the late 1970s a string of seemingly unconnected murders had Harlem police and federal authorities at their wits end until they realized several commonalities The victims were all either Mafia members or potential witnesses of Mafia activity and they'd all been shot from 22 pistols traced back to a single private sale in Florida From these details the FBI and police were able to build a profile of a rogue sect of Mafia hitmen known as the East Harlem Purple Gang Starting on the fringes of Mafia families the Purple Gang members became indispensable and installed members in the highest ranks of the Genovese Bonanno and Lucchese families Often serving as freelance hitmen kidnappers and drug traffickers the Purple Gang's exploits quickly crossed into mythology as media outlets scrambled to keep up with new murders and the law's crusade to bring the gang members to justice Sifting through the mystery and mythos author Scott M Deitch brings readers into Harlem's gritty streets to experience the Purple Gang's reign of terror the investigators who tried to bring them down and the gang members who either suffered violent ends or are still at large today *Survival of the Fastest* Randy Lanier,2022-08-02 Winner of the Best Book Award by the Motor Press Guild The high octane Seabiscuit meets Scarface story of how Randy Lanier became a 1980s international sports star soaring through the ranks of car racing while holding a dark secret he was also one of the biggest pot smugglers in American history As a kid Randy Lanier dreamed of achieving four wheel glory at the Indianapolis 500 but knew he'd never be able to afford the most expensive sport on earth That all changed when he bought a speedboat and began smuggling pot from the Bahamas Fueled by what would become a historically massive smuggling operation he started racing cars and became an overnight sensation For Randy and his teammates money was no object and bigger hauls meant faster cars At every event they attended they were behind the wheel of the best machinery flaunting their secret in front of huge crowds and live television cameras But no matter how fast they drove they couldn't outrun the law As Randy came ever closer to reaching his dream of high speed glory one of the biggest drug scandals ever to hit the professional sports world was about to unfold Set in the 1980s Florida of Miami Vice this is the unbelievable unforgettable unparalleled story of an ordinary guy whose attempts to become famous doing the thing he wanted most become a world class race car driver devolved into a you can't make this up tale of one of the biggest crime rings and drug scandals of the 1980s Now with the help of New York Times bestselling author A J Baime Randy tells the whole truth for the first time ever a gripping narrative unlike any other a sports story for the ages
