**Donald Featherstone's Complete Wargaming Revised Edition** John Curry, Donald Featherstone, 2012-09-01 The whole wonderful world of wargaming is vividly brought to life in this ultimate of books by the doyen of the subject s authors Full of passion inspiration practicality it suggests ideas improvements and anecdotes that jump from the pages of the substantial and beautifully illustrated work There are entertaining and practical main chapters shorter features and scores of snippets with tips and anecdotes a great depth of writing and illustration to harness the enthusiasm of newcomers to the hobby and sharpen that of old hands Details new methods and general stimulation come across in a variety of enterprising ways All the obvious ingredients are here such as each period and battle is described as a significant example of the art of warfare and development of tactics through the ages This book has been extensively revised The History of Wargaming Project is edited by John Curry It aims to present the very best wargaming books and rules to a modern audience Donald Featherstone's Skirmish Wargaming John Curry, Donald Featherstone, 2008-09-12 Skirmish Wargaming is a classic from the history of wargamingIt was the first widespread set of popular rules for playing skirmish level battles on the table top with handfuls of figures aside The book includes Generic rules for skirmish wargaming Scenarios including period rules for Vikings 850AD Archers in France June 1429 English Civil War Cavalry Action 1643 The Jolly Roger 1715 The 95th Rifles in the Pennisula War 1813 The French Foreign Legion in Mexico 1866 The Massacre at Isandhlwana 1879 The Old West 1888 First World War Trench Raid 1916 Street Fighting in Cassino 1944 This new edition includes additional scenario s To Claim our Long forgotten Gold Fantasy Third Age Mining Station Sigma 9 Science fiction Year 3015 the far future Guidance on how to play solo skirmish wargames Printed as part of the History of Wargaming Project www johncurryevents couk Donald Featherstone's Wargaming Pike and Shot Revised Edition John Curry, Donald Featherstone, 2010-11 A classic wargaming book by one of the founding fathers of wargaming Donald Featherstone This revised edition contains An introduction to wargaming the period fifteen battles each illustrated with maps notes on suitable rules and wargaming figures an updated bibliography and a previously unpublished set of English Civil War rules by Donald Featherstone Donald Featherstone's Naval War Games Wargaming with Model Ships John Curry, Donald Featherstone, 2009-03-05 This book gives potential admirals advice on how to fight their table top naval battles No space is too small nor area too large to accomodate a naval wargame with two contestants or twenty This book contains rules that allow every sea battle in history to be refought with some of the classic rules of naval wargaming It includes rules by Fletcher Pratt Fred Jane Tony Bath Jack Scruby etc This edition includes a new set of rules about Coastal Warfare 1939 45 by David Manley of the Naval Wargames **Donald Featherstone's War Games** John Curry, Donald Featherstone, 2008-07-26 Donald Featherstone's classic Society wargaming book War Games was first published in 1962 It was largely responsible for turning a somewhat obscure hobby into a popular pastime across the world This revised edition includes new material including a foreword by Paddy Griffith the

full version of the Lionel Tarr Modern Wargaming Rules modern being for Wordl War II and a timeline of wargaming It is published as part of the History of Wargaming Project at www johncurryevents couk Solo Wargaming David Heading, 2024-08-30 This practitioner's guide to solo wargaming offers comprehensive coverage of the subject showing how it can be a fascinating complement to social gaming or an entire hobby in its own right This book integrates ideas from across the hobby to discuss various aspects of gaming alone across all manner of conflicts whether land sea or air and in any historical period or imagined setting Starting with the fundamental question of why people play solo wargames David Heading lays out the various advantages and disadvantages He also considers such questions as whether to play both sides or to command one army against an automatic opponent giving various ideas on how to control or program the responses of the opposing force with dice cards or by other means There is advice on how to construct challenging and interesting scenarios for one off engagements whether these are skirmishes or major battles historical events or more generic ones and how to combine these tactical actions into wider campaigns involving grand strategy logistics and other factors Tips on sustaining interest through such activities as recording results writing campaign diaries and online blogs will help you enrich your hobby The author has been playing solo wargames for forty years and shares the secrets of happy solo gaming Packed full of common sense advice and inspiration it offers plenty of value to the beginner and the seasoned veteran alike *Games of War* John Bobek, 2007-12-12 Heres a Hobby for those who love toys games role playing military history action movies science fiction paintball and having friends and family over This book has it all from gladiatorial combat to space warfare Test your skills and luck as you re fight famous battles or explore the world of what ifs Heres your chance to be Alexander Saladin Cromwell Washington Napoleon Nelson Lee Grant Pershing Rommel Patton Nimitz or any of the great military leaders of history Lead a patrol in the Ardennes or in Afghanistan Its paintball without the pain You can fly your Wildcat against a Zero your Phantom against a Mig See if you have what it takes to be a pirate in the Carribbean Can you conquer a galaxy or master magic The rules contained in this book cover all this and more They are easy to learn fast to play and contain background information for anyone whos not a historian You can get started on any budget and with whatever space you have available Rediscover reading for fun Teaching History There are sample history labs included Have your class experience the past Watch their interest and enthusiasm grow **One-Hour Wargames** Neil Thomas, 2014-09-03 A fun and practical new approach to wargaming that lets you complete a game in about an hour includes rule sets and scenarios for most popular periods One of the biggest problems facing wargamers is finding the time to actually play Most commercially available games require several hours to set up and see to a conclusion some can even take a whole day or weekend to complete Apart from time lack of space can also keep wargamers from enjoying their favorite pastime In One hour Wargames veteran gamer and rule writer Neil Thomas has addressed both problems Now it is practical to play a satisfying game in around an hour on a normal dining table or living room floor The book contains 8 all new sets of very simple rules for various

periods from Ancient to WW2 and thirty stimulating scenarios which can be played using any of them All the rules and scenarios are intended to be played on a 3ft x 3ft battlefield. The rules only require a small number of miniatures so this really is an ideal way for new gamers or veterans trying a new period to get started with minimal investment of time and money Also ideal for a quick game in the evening with a friend Also included are sections on campaigns and solo games Wargames: A Designers' and Writers' Handbook Rick Priestley, John Lambshead, 2016-11-30 Unlike chess or backgammon tabletop wargames have no single accepted set of rules Most wargamers at some point have had a go at writing their own rules and virtually all have modified commercially available sets to better suit their idea of the ideal game or to adapt favourite rules to a different historical period or setting But many who try soon find that writing a coherent set of rules is harder than they thought while tweaking one part of an existing set can often have unforeseen consequences for the game as a whole Now at last help is at hand Veteran gamer and rules writer John Lambshead has teamed up with the legendary Rick Priestley creator of Games Workshop's phenomenally successful Warhammer system to create this essential guide for any would be wargame designer or tinkerer Rick and John give excellent advice on deciding what you want from a wargame and balancing realism be it in a historical or a fantasy sci fi context with playability They discuss the relative merits of various mechanisms cards dice tables then discuss how to select and combine these to handle the various essential game elements of turn sequences combat resolution morale etc to create a rewarding and playable game that suits your tastes and requirements Wargaming Campaigns Henry Hyde, 2022-07-20 An authoritative reference guide to building wargaming campaigns featuring a full set of campaign rules tips on creating maps and more Most miniature wargames take the form of simulating a single battle with the opponents either winning or losing and that s that until the next game Such games can be a fun test of tactical skill but it can be even more rewarding if they form part of a wider campaign In a campaign the players commanding the forces have to make the decisions at the strategic level that determine the context of any battles that occur The outcome of these battles will in turn have strategic consequences for the ongoing campaign Although campaigns can be very rewarding many wargamers are deterred by the need to produce maps and devise mechanisms for strategic movement Intelligence logistics recruiting reinforcements keeping track of casualties etc Henry Hyde's excellent book greatly eases this task with masses of sound advice concrete suggestions and even a full set of campaign rules useful for any period Whatever historical or fantasy setting you prefer Henry shows that even simple campaigns can add extra fun to your gaming Praise for Wargaming Campaigns This big thick tome contains everything you dever want to know about creating and running a wargame campaign Historical Miniatures Gaming Society **Zones of Control** Pat Harrigan, Matthew G. Kirschenbaum, 2016-04-15 A look at wargaming s past present and future from digital games to tabletop games and its use in entertainment education and military planning With examples from Call of Duty Modern Warfare Harpoon Warhammer 40 000 and more Games with military themes date back to antiquity and yet they are curiously neglected in much of the

academic and trade literature on games and game history This volume fills that gap providing a diverse set of perspectives on wargaming s past present and future In Zones of Control contributors consider wargames played for entertainment education and military planning in terms of design critical analysis and historical contexts They consider both digital and especially tabletop games most of which cover specific historical conflicts or are grounded in recognizable real world geopolitics Game designers and players will find the historical and critical contexts often missing from design and hobby literature military analysts will find connections to game design and the humanities and academics will find documentation and critique of a sophisticated body of cultural work in which the complexity of military conflict is represented in ludic systems and procedures Each section begins with a long anchoring chapter by an established authority which is followed by a variety of shorter pieces both analytic and anecdotal Topics include the history of playing at war operations research and systems design wargaming and military history wargaming s ethics and politics gaming irregular and non kinetic warfare and wargames as artistic practice The Anti-War Wargame: a Comprehensive Analysis of the Origins of the Game of Chess 1989-1990 Henry J. Greenberg, 2015-09-30 Millions of people love the game of chess but most of them dont know how the game developed Henry I Greenberg one of the worlds leading chess historians reveals how chess has its origins in a game called Chaturanga which was designed during the reign of the Gupta Dynasty to commemorate Chandragupta IIs victory over the Sakas and to ensure the continuation of peace In this comprehensive history of the game youll learn how seeds for the origin of chess were planted during the flourishing of the Harappan civilization from 2 300 to 1900 B C Chaturanga was specifically designed for the civilian population rules were made so simple that even children could learn how to play elephants play a critical role regarding when and why chess developed Greenberg also explains how chess historians can be classified into four types Archaeologists Linguists Sinologists and Oxfordites Learn the characteristics of each what they disagree on and whether their views about the origins of chess hold any validity From the very beginnings of the game to Leonardo da Vincis invention of modern moves while living in Milan Italy youll be delighted with this comprehensive history of chess **Gridded Naval Wargames** Bob Cordery, 2018-05-19 This book follows on from The Portable Wargame and Developing The Portable Wargame to cover naval wargames that can be fought on a gridded tabletop The book contains six sets of rules three of which are from the Portable Naval Wargame stable four explanatory battle reports and a chapter that explains How to build simple model American Civil War ironclads Aimed mainly at the wargamer who wants to include aspects of naval warfare in their wargames it is suitable for both novice and experienced wargamers Surviving Game School...and the Game Industry After That Michael Lynch, Adrian Earle, 2018-02-06 Surviving Game

Surviving Game School...and the Game Industry After That Michael Lynch, Adrian Earle, 2018-02-06 Surviving Game School speaks about what to expect in a top game design or game development college program and what to expect once students get out Making games is not at all the same as playing games Uncommonly blunt the book reveals the rigors and the joys of working in this industry Along the way the book touches on themes of time management creativity teamwork and

burnout The authors explore the impact working in the game industry can have on personal relationships and family life The book closes with advice about life s goals and building and keeping a sensible balance between work and everything else

National Union Catalog ,1980 Includes entries for maps and atlases Paper Time Machines Maurice W. Suckling, 2024-08-14 James Dunnigan's memorable phrase serves as the first part of a title for this book where it seeks to be applicable not just to analog wargames but also to board games exploring non expressly military history that is to political diplomatic social economic or other forms of history Don t board games about history made predominantly out of layered paper permit a kind of time travel powered by our imagination Paper Time Machines Critical Game Design and Historical Board Games is for those who consider this a largely rhetorical question primarily for designers of historical board games directed in its more practice focused sections Parts Two Three and Four toward those just commencing their journeys through time and space and engaged in learning how to deconstruct and to construct paper time machines More experienced designers may find something here for them too perhaps to refresh themselves or as an aid to instruction to mentees in whatever capacity But it is also intended for practitioners of all levels of experience to find value in the surrounding historical contexts and theoretical debates pertinent to the creation of and the thinking around the making of historical board games Parts One and Five In addition it is intended that the book might redirect some of the attention of the field of game studies so preoccupied with digital games toward this hitherto generally much neglected area of research Key Features Guides new designers through the process of historical board game design Encapsulates the observations and insights of numerous notable designers Deeply researched chapters on the history and current trajectory of the hobby Chapters on selected critical perspectives on the hobby Book Review Index Cumulation, 1989 Neil E. Walker, Beverly Baer, 1990-04 The Index provides a broad coverage and access to book reviews in the general social sciences humanities sciences and fine arts as well as general interest magazines and includes journals from Great Britain Canada Switzerland Israel and Australia In addition it indexes several journals that while published in the US concentrate on reviewing foreign published or foreign language books These include Hispania French Review German Quarterly and World Literature Today The Wargaming **Compendium** Henry Hyde, 2013-08-19 An extensive reference guide to the exciting hobby for beginners as well as longtime players Wargaming is a fascinating engrossing and exciting pastime that encompasses a wide range of different talents The average wargamer uses the skills of artist designer sculptor illustrator historian librarian researcher mathematician and creative writer as well as the more obvious ones of general admiral or air marshal for large games or perhaps lieutenant commodore or squadron leader for skirmishes Aside from calling upon many skills wargaming also covers many aspects of combat spanning the history of Earth With science fiction gaming we plunge into imagined worlds many thousands of years into the future and a fantasy gamer of course deals with eons of imagined history as anyone who has read The Lord of the Rings will know A wargamer may find themselves recreating an encounter between a handful of adversaries one day or a

massed battle involving perhaps hundreds of miniature troops the next Moreover it is possible to play wargames that recreate warfare on land on sea in the air or even in outer space This book demonstrates the wonderfully varied hobby of wargaming with miniatures looking at the broad scope of what it has to offer as well as detailed explanations of how to get involved including comprehensive rules for gladiator combat Wild West skirmishes and the horse and musket era as well as lots of advice for anyone new to wargaming Whether you re a complete newcomer to the hobby or a veteran of many years you ll find plenty in The Wargaming Compendium to entertain and inspire you **Paddy Griffith's Napoleonic**Wargaming for Fun Paddy Griffith,2009-01-22 The wargaming rules in this book have been designed by the well known military historian Paddy Griffith and combine simplicity with fun and speed No less than seven types of wargame are explained the traditional skirmish and Divisional games the brigade game and army level game which all involve the use of model soldiers in battles of varying scales the generalship game which is concerned with how a general on campaign divides his time and finally a map kriegsspiel and a tactical exerise without troops
