Don't Turn Your Back in the Barn David Perrin,2002 For 26 years Dr David Perrin served as a country veterinarian in the rural but never quiet Creston valley of southern British Columbia Don t Turn Your Back in the Barn is his engaging and entertaining firsthand account of his rookie year on the job in the early 1970s Reminiscent of the beloved books of British veterinarian and writer James Herriot Perrin s book is by turns heartbreaking and hysterical In 22 stories he relays his encounters with an eclectic group of two legged clients and a roster of four legged patients that range in size from a newborn kitten to a 1 500 pound pregnant heifer Perrin s honest account of veterinary life includes his mistakes successes and frequent searches for answers to problems that most of us will thankfully never have to consider for example how does one discourage the advances of an amorous billy goat Passion pathos adventure humor Don t Turn Your Back in the Barn has it all Don't Turn Your Back in the Barn Dr. David Perrin,2015 Fresh out of veterinary college Dr Dave Perrin has been in practice for two days in the Creston Valley and already he s found trouble He has encountered William the aggressive billy goat and Theo the intrepid Doberman Theo has recently discovered the delight of chasing chickens on the neighbour s property Sweet William and Theo are just two of the fabulously entertaining characters that the country vet encounters There are times he s not sure if he s in the right business even though he s wanted to be a veterinarian since he was a kid growing up on a mountain farm near Trail British Columbia The fascinating human characters he befriends help him through his first year of practice Don t Turn Your Back in the Barn focuses on the humorous incidents that inevitably happen in a rural practice that treats cows in the morning and kittens in the afternoon He relies on Doris his steadfast assistant to help him in the surgery and to organize the daybook but even she sometimes has trouble balancing his hectic schedule This first volume of stories provides a real life look at the rigours of practising veterinary medicine in a country setting Pathos is a given as Dr Perrin deals with his own emotions and those of his human clients who must often make hard decisions about their beloved animals The introduction to this best selling collection says Dave Perrin is not afraid to display his emotion in his writing nor to reveal his own frailties But the element that runs through each story is his passion for his work for his patients and for the mountains and fertile flat lands that surround the Kootenay River Canadian Books in Print.
