## **Dos And Donts In Hong Kong:**

*Dos and Donts in Hong Kong* Mary Leong, Colin Storey, 2005-01 Hong Kong natives are fascinating they talk constantly use extravagant hand gestures and love to eat a cuisine that may be the best in the world Behind the high rise living Armani suits financial acumen and sophisticated nightlife the traditions of the Cantonese grandma and corner shop herbalist pulse through the veins of every resident The visitor to wonderful Hong Kong soon learns that with one foot planted in the west and the other in the orient understanding Hong Kongers and their ways is not an easy task To ensure that you the foreign resident fleeting visitor or armchair traveler enjoy your stay in Hong Kong the authors of this much needed travel guide present a light hearted but practical guide to the of this dynamic city DON T stand there like a lemon holding open the elevator doors while everybody marches past you DO spit the chicken bones and other detritus of culinary ecstasy onto the table everybody else does And DO remember that once accepted into a circle of Hong Kong friends you are there for life with all the responsibilities that go with it DO believe this your Hong Kong colleagues are likely to tell you that your new hairdo makes you look like a Korean DO understand that as boss of your company your employees expect you to take care of them as a father does his children DON T laugh when you learn that Hong Kongers drink dried seahorse and deer antler soup for breakfast DON T get upset when you realize the bus drivers routinely curse passengers and sing opera as they hurtle through crowded streets Want to know more Then DO buy this book

*Cultural Keywords in Discourse* Carsten Levisen, Sophia Waters, 2017-10-15 Cultural keywords are words around which whole discourses are organised They are culturally revealing difficult to translate and semantically diverse They capture how speakers have paid attention to the worlds they live in and embody socially recognised ways of thinking and feeling The book contributes to a global turn in cultural keyword studies by exploring keywords from discourse communities in Australia Brazil Hong Kong Japan Melanesia Mexico and Scandinavia Providing new case studies the volume showcases the diversity of ways in which cultural logics form and shape discourse The Natural Semantic Metalanguage NSM approach is used as a unifying framework for the studies This approach offers an attractive methodology for doing explorative discourse analysis on emic and culturally sensitive grounds Cultural Keywords in Discourse will be of interest to researchers and students of semantics pragmatics cultural discourse studies linguistic ethnography and intercultural communication

**Education and Society in Hong Kong and Macao** M. Bray, Ramsey Koo, 2006-06-28 Hong Kong and Macao have much in common The dominant populations in both territories are Cantonese speaking Chinese both are small in area both are urban societies both have been colonies of European powers and both have undergone political transition to reunification with China Yet in education for reasons that are analysed in this book they are very different The patters of similarities and differences in the two territories make a fascinating basis for comparative study The overarching theme of the book on continuity and change is particularly pertinent following the transition of the two societies of the postcolonial era This thoroughly revised and expanded second edition builds on the widely acclaimed first

edition The work has been recognised as a significant contribution to the broad field of comparative education as well as to study of the specific societies which are its main focus **Hong Kong's Second Return to China** Jennifer

Eagleton,2025-03-24 This book is a cross disciplinary study incorporating political science law and sociolinguistics in its examination of Hong Kong s National Security Law which has impacted many aspects of life in the city Through a critical discourse analysis lens it details the lead up to the Law s introduction in 2020 a textual analysis of the Law itself the selling the Law to the public the accompanying electoral changes the effect on civil society and the discourse of dissidents in exile It ends with speculation on what the future will bring to the so called One Country Two Systems as it goes forward The book caters for the general reader the university student and seasoned academic who want to be informed about the changes in Hong Kong as it transitions to be more fully China The book ultimately argues that the One Country Two Systems experimental framework had always been problematic from both a rhetorical and ideological perspective Education and Society in Hong Kong and Macao Mark Bray,Ramsey Koo,2005 Information Bulletin ,1979 **Handbook of**

Chan,Nirmala Rao,2010-03-10 It is seventeen years since I first formulated The paradox of the Chinese learner in a conference in Kathmandu Nepal My original formulation of the paradox was that westerners saw Chinese students as rote learning massive amounts of information in fierce exam dominated classrooms yet in international comparisons students in the Confucian heritage cla rooms greatly outperformed western students learning in progressive western classrooms This seeming paradox raised all sorts of questions to which many others have contributed important answers especially that by Ference Marton on how Chinese learners construed the roles of memory and understanding in ways that were foreign to typical western educators Much of this work was brought together in *The Chinese Learner* 1996 edited by David Watkins and myself That work raised more questions still especially about educational contexts beliefs and practices which were investigated in contributions to *Teaching the Chinese Learner* 2001 And now we have *Revisiting the Chinese Learner* which is a very timely collection of excellent contributions that take into account the many changes that have taken place since 2001 changes such as 1 The globalisation of education especially through educational technology and enormous socio economic changes especially in China itself 2 Changes in educational policy aims curriculum and organi tion and

decentralisation of educational decision making in many Confucian heritage cultures 3      *Human Resource Management for Hospitality, Tourism and Events* Dennis Nickson, 2013-08-29 Please note this title will publish in January 2012 This textbook explores the policies and practices employed in the management of people working in the tourism hospitality and events industries It considers the nature of these industries and the varied approaches that organizations take with the handling of matters such as recruitment health and welfare and remuneration This book is enriched with topical case studies that describe and illustrate the human resource management behaviour of airlines hotel chains and other international companies in the sector providing real world industry perspective With a clear reader friendly layout containing chapter outlines and objectives and examples of best practice this is the ideal guide to HRM for any student on a hospitality tourism or related course

**Literacy, Storytelling and Bilingualism in Asian Classrooms** Alice Honig, 2017-10-02 Contrary to previously held beliefs that bilingualism would hinder cognitive and language development in children research has shown that bilingual children show enhanced cognitive flexibility and an ability to better focus their attention This book explores both emergent literacy and bilingualism in children in four Asian countries Hong Kong Singapore Myanmar and Taiwan giving specific examples of how adults including parents teachers and other education professionals can use creative interaction as opposed to rote learning to increase children's interest in learning English as a second language This is especially important in the increasingly computer connected world where innovation can be key in making second language learning both interesting and effective Specific contributions to this volume include a case study of Taiwanese families analyzing home videos of their children's responses to the task of reading a Mandarin picture book of vocabulary instruction in Hong Kong which requires children to gain triple language proficiency Cantonese English and Mandarin of the relation between Cantonese proficiency amongst 5 year olds in Hong Kong and their receptiveness to learning new English vocabulary of the relation between English reading ability and Mandarin speaking ability amongst Singaporean children of the importance of teachers sensitivity to gender differences among 6 year olds in Singapore learning English as a second language of the active promotion of storytelling by teachers in Myanmar in order to develop children's interest in story structure and to stimulate early language skills and of an emphasis on family based emergent literacy activities for children in Taiwan This book was originally published as a special issue of *Early Child Development and Care*

**Early Childhood Curriculum in Chinese Societies** Weipeng Yang, Hui Li, 2019-03-13 Although Chinese societies have generally become striking as the classic over achievers in international measures of academic performance there has been no specialised publication exploring early childhood curriculum in Chinese contexts Through this book readers will learn more about how the Chinese context and culture collide with educators beliefs about the right activities for children and educators in early childhood settings This book will be the first one of its kind to focus on early childhood curriculum in Chinese societies from social context and culture to reforms and practices and finally to the lessons that researchers policymakers and practitioners could learn as well

as future directions Is play valued Are young children schooled earlier in Chinese societies How do Chinese children learn in kindergartens What is valued by Chinese educators when they implement early childhood curricula How do Chinese teachers deliver early childhood curricula for their young children Why were Chinese early childhood curricula implemented in these ways Answers to these questions and more will be provided in this pioneering book **Early Childhood Education in**
