Dostoevsky And Kant Dialogues On Ethics Social Philosophy:

Dostoevsky and Kant Evgenia Cherkasova, 2009 In this book Evgenia Cherkasova brings the philosopher Kant and the novelist Dostoevsky together in conversations that probe why duty is central to our moral life She shows that just as Dostoevsky is indebted to Kant so Kant would profit from the deeply philosophical narratives of Dostoevsky which engage the problem of evil and the claims of human community She not only produces a novel reading of Dostoevsky but also guides us to later often neglected Kantian texts This study is written with scholarly care penetrating analysis elegance of style and moral urgency Cherkasova writes with both mind and heart Emily Grosholz Professor of Philosophy The Pennsylvania State University Social Philosophy SP in conjunction with the Center for Ethics Peace and Social Justice SUNY Cortland explores theoretical and applied issues in contemporary social philosophy drawing on a variety of philosophical traditions

Social Justice, Poverty and Race, 2011-01-01 A clear understanding of social justice requires complex rather than simple answers It requires comfort with ambiguity rather than absolute answers This is counter to viewing right versus wrong just vs unjust or good vs evil as dichotomies This book provides many examples of where and how to begin to view these as continuums rather than dichotomies

New Perspectives on Pragmatism and Analytic Philosophy. Rosa M. Calcaterra, 2011-04 The strong influence of pragmatism in the early 20th century international debate its subsequent and apparently inexorable decline and its recent revival are intertwined with the fate of other currents of thought that have marked the development of contemporary philosophy This volume clarifies the most recent events of this development focusing on key theoretical issues common both to American classic philosophical tradition and analytical thought Many essays in this volume belong to what we can call new pragmatism namely a pragmatist perspective that is different from the

postmodernist neo pragmatism la Rorty The volume shows that both pragmatists and analytic thinkers stress the importance of logic and scientific method in order to deal with philosophical problems and seek for a clarification of the relation between our ethical values and our understanding of natural facts Moreover the anti skeptic attitude that characterizes pragmatism as well as most part of analytic philosophy and their common attention to the problems of language and communication are emphasized The more sophisticated tools for addressing both theoretical and methodological problems developed by analytic philosophy are pointed out and the essays show the possible integration of these two forms of speculation that for too a long time mutually disregarded one another

Dialogue on Grief and Consolation Terence Lawlor O'Connell,2009 Have you lost a loved one The loss can be inestimable the grief excruciating What helped you Did someone say something comforting Did someone offer a consolation which you resented Have you ever tried to comfort someone with a terminal illness or one who has lost a loved one Knowing how to help or what to say that is not trite insincere or superficial can be difficult The point of view of a grieving person is quite different from that of those who wish to offer comfort In a multicultural society such as ours anticipating the beliefs of the grieving person can be even more difficult This book explores the perspective of a grieving person It considers the merits and potential harm of alternative comfort strategies As a philosophical analysis of grief it emphasizes an understanding of the beliefs that underlie grief and the usefulness or dangers of emotions Because grief is so complex and sensitive a narrow approach runs the risk of alienating the grieving person The ideas in this book are expressed in a dialogue among three characters Their discussion is broad and fundamental Starting from the familiar consolation She s no longer suffering and the grieving person s resentment toward the expression the three friends articulate the value of life and the evils of death Their discussion enriches their understanding of grief Many consolations offered to mourners are poor arguments Even the better ones do their work best in the context of a greater understanding of grief

Postethnophilosophy Sanya Osha,2011-04 This book makes a bold announcement for the beginning of a postethnophilosophical phase in modern African thought It re considers the question What is African philosophy and introduces a strategy for setting a broad and productive agenda for contemporary African philosophical thought

Arguments and Analysis in Bioethics Matti Häyry,2010 Values in Bioethics ViB co sponsored by the International Association of Bioethics makes available original philosophical books in all areas of bioethics including medical and nursing ethics health care ethics research ethics environmental ethics and global bioethics

Schwartz,2010-01-01 What was it like to be a woman scientist battling the old boy s network during the 1960s and 1970s Neena Schwartz a prominent neuroendocrinologist at Northwestern University tells all She became a successful scientist and administrator at a time when few women entered science and fewer succeeded in establishing independent laboratories She describes her personal career struggles and those of others in academia as well as the events which lead to the formation of the Association of Women in Science and Women in Endocrinology two national organizations which have been successful in increasing the numbers of women scientists and their influence in their fields The book intersperses this socio political story with an account of Schwartz s personal life as a lesbian and a description of her research on the role of hormones in regulating reproductive cycles In a chapter titled Don t Ask Don t Tell she examines the evidence from a scientist s point of view for the hormonal and genetic theories for homosexuality Other chapters provide advice on mentoring young scientists and a discourse on why it matters to all of us to have more women doing and teaching science She also describes the process of putting together an interdisciplinary Center on Reproductive Science at Northwestern which brought together basic and clinical scientists in an internationally recognized program of research and practice **Reconstructing Subjects** Hakam H. Al-Shawi,2011 Preliminary Material INTRODUCTION THE ISSUE INSIGHT AND SELF KNOWLEDGE RECONSTRUCTION AND ABSORPTION EPISTEMOLOGICAL ISSUES METAPHYSICAL ISSUES ETHICAL CONSIDERATIONS CONCLUSION WORKS CITED ABOUT THE AUTHOR INDEX VIBS Beyond Perestroika Gary G. Gallopin,2009-01-01 This book

investigates rapid societal change in Russia during the early 1990s The story of the anthropologist author and the people he studied reveals cultural similarities and differences between them Russians and Latvians taught the author about the Soviet Union its people and its cultures Formal axiology provides a novel way to access their changing values **Sex, Love, and Friendship** Adrienne Leigh McEvoy,2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer

sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond **Cutting Through the Surface** ,2009-01-01

This book examines the role of philosophy and philosophers in bioethics Academics often see bioethical studies as too practical while decision makers tend to see them as too theoretical The purpose of this collection of new essays by an international group of distinguished scholars is to explore the troubled relationship between theory and practice in the ethical assessment of medicine health care and new medical and genetic technologies The book is divided into six parts In the first part philosophers consider the definition of bioethics the nature of applied ethics more generally and the possibility of combining utilitarian and liberal strands of thinking in moral and political studies In the second part authors discuss the place and justification of principles in bioethics and the significance of medical and nursing experience in moral decision making The third part addresses the complementary or contradictory as the case may be principles of dignity autonomy precaution and solidarity and their use in theoretical and practical settings In the fourth part public health measures and experimental research are defended against traditional moral concerns Part five scrutinizes parental responsibilities in bearing and rearing children especially the reasons for and against human reproduction in individual cases In part six enhancements to human nature by various means are analyzed Following in the footsteps of four previous collections in the Values in Bioethics special series by the same editorial team *Scratching the Surface of Bioethics Bioethics and Social Reality Ethics in Biomedical Research and Arguments and Analysis in Bioethics* this book compiled in honor of Professor Matti Häyry's 50th birthday drills into the core of the discipline to show the philosophical depths that lie under the polished surface of policy driven everyday bioethics *Values and Powers* Krzysztof Piotr Skowroński,2009-01-01

This book shows how much and in what sense values are related to powers and powers are related to values in American pragmatism The proposed re-reading of American pragmatism will facilitate a novel understanding of it as a philosophical movement and by showing its truly humanistic democratic and pro social character the stronger impetus for current rethinking of values is being provided

The Philosophy of Viagra ,2011-01-01 The impotency remedy Viagra is the fastest selling drug in history It has grown beyond being simply a medical phenomenon but has achieved the status of cultural icon appearing on television as a pretext for jokes or even as a murder weapon Viagra has socio cultural implications that are not limited to sexuality The Philosophy of Viagra offers a unique perspective as it examines the phenomenon of Viagra through ideas derived from more than two thousand years of philosophical reasoning In philosophy Eros has always had a central position Since Plato philosophy has held that desire is not only a medical but also a spiritual phenomenon and that scientific explanations claiming to give an exhaustive account of erotic perception are misleading Philosophical ideas are able to debunk various scientific

rationalizations of sexuality one of which is the clinical sexological discourse on Viagra In this volume several authors interpret Viagra through the lens of classical philosophy explicating the themes of immortality and hedonism Others offer psychoanalytical considerations by confronting clinical sexology with psychological realities Still others evoke intercultural aspects revealing the relative character of potency that the phenomenon of Viagra attempts to gloss over

Reburial of Nonexistents Carolyn Swanson, 2011-06 Alexius Meinong claimed to uncover a brave new world of nonexistent objects He contended that unreal objects such as the golden mountain and the round square genuinely had properties such as nonexistence itself and therefore deserved a place in an all inclusive science Meinong's notion of nonexistents was initially not well received largely due to the influence and criticisms of Bertrand Russell However it has gained considerable popularity in more recent years as academics have uncovered shortfalls in Russell's philosophy and strived to explain apparent facts about the beingless Some philosophers have continued Meinong's project further explaining nonexistent objects or formulating logic systems that incorporate them The more recent developments beg for a re examination of Meinongianism This book does just that putting the theory on trial Part One considers if Russell truly defeated Meinongianism It addresses Meinongian rejoinders in response to Russell's main criticisms and further defends Russell's alternative solution his Theory of Descriptions Part Two explores the rationale for nonexistents and their use in interpreting three types of statements characterization negative existential and intentional The book argues that despite appearances Meinongianism cannot plausibly account for its own paradigm claims whereas Russell's framework with some further elucidation can explain these statements quite well Part Three primarily addresses claims about fiction exploring the short comings of Meinongian and Russellian frameworks in interpreting them The book introduces a contextualization solution and symbolic method for capturing the logical form of such claims one with the complexity to handle cross contextual statements including negative existential and intentional ones It finally considers where that leaves nonexistent objects ultimately rejecting such so called entities

Dostoevsky And Kant Dialogues On Ethics Social Philosophy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dostoevsky And Kant Dialogues On Ethics Social Philosophy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dostoevsky And Kant Dialogues On Ethics Social Philosophy has opened up a world of possibilities. Downloading Dostoevsky And Kant Dialogues On Ethics Social Philosophy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dostoevsky And Kant Dialogues On Ethics Social Philosophy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dostoevsky And Kant Dialogues On Ethics Social Philosophy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dostoevsky And Kant Dialogues On Ethics Social Philosophy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dostoevsky And Kant Dialogues On Ethics Social Philosophy, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dostoevsky And Kant Dialogues On Ethics Social Philosophy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Dostoevsky And Kant Dialogues On Ethics Social Philosophy Books

1. Where can I buy Dostoevsky And Kant Dialogues On Ethics Social Philosophy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
