Consciousness Towards Abundance Dr Sin Mong Wong, 2016-11-15 The book is about learning the languages of various fields beginning with mastering the three basics: thinking, speaking and writing. Mastering the three basics will lay the foundation for a life of abundance. A new definition of abundance embraces financial freedom, well-being, happiness, good relationships and being fit and healthy. Learning the languages of various fields includes money, mind, health and spirituality. In this book are strategies for creating financial freedom through asset investments, stocks, direct marketing, digital publishing and business. All experiences and strategies recommended for implementation are shared. All the discussions and examples are easy to implement for the purpose of living a life of abundance. **Make Me Sin** J. T. Geissinger, 2016 A J is everything. Chloe doesn't want tattooed, selfish and all-around bad news. So why can't she stop thinking about him? Goody two shoes. Chloe isn't exactly A J's type either, but the chemistry between them is undeniable. When a wedding day confrontation reveals secrets they're both hiding, will Chloe and A J ever find their rhythm again? Back cover **The Disciple's Handbook** Fr. David L. Hall, 2020-02-05 Twenty years ago God led me to the writings of the church fathers and then on a journey that changed my life. I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet. This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even greater depth and passion in their walk with Christ.
