The Rationality of Faith Carl Michalson, 1963 My goal will be to describe the rationality of the Christian faith Rationality is a contextual concept Inasmuch as the context of the Christian faith is history I will specify its rationality by setting the Christian faith in the context of history alone In pursuing this goal I will necessarily be guided by a great variety of intellectual suggestions Most refreshing of all to me as theologian is the realization that for probably the first time in the history of the church the formulations of theology must now be instructed by the historiographers more than by the philosophers I expect to show how it comes about that Christians and non Christians alike impute to Christianity absurdities which are not really there and how these absurdities may evaporate and give way to solidly redemptive meaning when the question of Christian understanding is rigorously set within the logic of history Introduction **The Rationality of Christian Doctrines** Kent C. Lin, 2009-02 Discourses on the Rationality of the Christian Religion and the Harmony of its Doctrines Abiel SILVER, 1870 **God and Rationality** Thomas Forsyth Torrance, 1971 Rational godliness after the mind of Christ and the written voices of his Church Rowland WILLIAMS (D.D.), 1855 **The Rational Test** Leander Sylvester Keyser, 1908 **The Grounds of Christian Faith Rational** Thomas Mole, 1743 Rational Christian Thinking Alice Petersen, Gary Ray Sweeten, Dorothy Faye Gevert, 1990 Rational Religion and Morals Thomas J. Edward Hopson, 1777 *A Rational Theology, as Taught by the Church of Jesus Christ of Latter-day Saints* John Andreas Widtsoe, 1937-01-01 *Rationality of the Christian Faith in Richard Swinburne* Johnson Uchenna Ozioko, 2019 The Rational Test Leander S. Keyser, 2016-09-26 Excerpt from The Rational Test Bible Doctrine in the Light of Reason To show that certain fundamental biblical doctrines as held by orthodox believers are reasonable that is the chief purpose of this volume The author's position is that reason should not be placed above the 1 Bible that is rationalism Very often the proper attitude of the human mind before God's truth is Believing where we cannot prove It is not irrational that it should be so for in many of the commonest affairs of life we must often walk by faith and not by sight The of an infant in its mother's arms are acts of intuition and faith not of reason nor are such acts unusual throughout the entire course of life Thinking men will not forget the sweet reasonableness of faith It is incorrect to think that faith and reason are opposed to each other This error springs from the supposition that faith and credulity are synonymous terms So far from this being true it is an undisputed fact that many of the wisest and best men of the world possess the most childlike faith in Christ and His revelation Superior knowledge makes a man conscious of the limitations of human learning and therefore leads to humble trust and a childlike disposition Whether faith is rational or not depends upon its object Faith in that which is true and right is a most rational act of the soul blindly to accept error is credulity and is therefore irrational About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important
