successful debut of his restaurant guide Hines published his first cookbook at age fifty nine and followed it with *The Dessert Book* culinary classics including recipes from establishments he visited on his travels favorites handed down through his family for generations and new dishes that contained unusual ingredients for the era Many of the recipes served as inspiration for mixes that eventually became available under the Duncan Hines brand This is a comprehensive account of the life and legacy of a savvy businessman and an often overlooked culinary pioneer whose love of good food led to his name becoming a grocery shelf favorite *The Royal Neighbor* ,1961 ***Tide*** ,1953 ***The Quartermaster Review*** ,1958
