at the final destination of complete and assured knowledge If any one should indulge this hope his disappointment is certain Even if he did so arrive and found himself able fully to demonstrate the whole truth how greatly would the quest lose in its interest It is in the pursuit of his El Dorado of evolutionary history not in the arrival there that the true blessedness of the morphologist lies It behoves then those who travel on this journey not to hurry unduly but to consider with critical care the manner of their journeying rather than to seek short cuts to an elusive goal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
