and years and now they had been married and years and years and years and years and years and years Within a month you must be pregnant and help the Luo Family to grow up she said After sleeping on the same bed he used all sorts of methods to humiliate her He purposely made things difficult for her mocking her for her inexperience Tang Wanyang is this all you've got If you want my seed it won't be that simple She almost bit off his vitals but she did not hesitate to say I'm sorry I'm not good at martial arts Every member of the Luo family was ambitious openly and covertly fighting with each other Even after she had calculated everything the old gramps still gave her 50% of the shares If you promise me one condition I will give you all the shares she looked at him firmly and allow me to break off my relationship with the Luo Family At that moment he was stunned and his heart ached A year later she started her own planning company and news of his remarriage was common He came to her with a beautiful bride and asked her to plan the wedding for him personally In the swimming pool he forced her into a corner Tang Wanyi do you think you can escape Luo Juntian had always thought that she had never come close to his heart but he had no idea that she had already set up camp in his heart and could not be pulled out

The Best of Two Lives Doris R. Ayyoub, 2016-09-12 The Best of Two Lives is a love story as well as family history It is shaped as a journey beginning with the cultural foundations of Jordan and the United States Weaving threads of family stories Doris introduces us to compelling characters and describes ways of life that might be forgotten if not for projects such as this Ibrahim's early years are detailed as he lived in a mixed Muslim Christian community in Jordan and Doris tells of growing up as a small town conservative Christian in Oregon One of the fundamental messages is that despite superficial differences at the root Arab lives and concerns in the Middle East are relatable just as those of Americans in the United States Doris never shrinks from showing negative attributes that she couldn't be blamed for wanting to hide and that differentiates her book from a purely family history There's something here to help us see our own families more clearly and honestly and to understand them with compassion
