Easy Chairs, Hard Words Douglas Wilson,2008 **Easy Chairs, Hard Words** Douglas Wilson,2011-06 **Easy Chairs** Hard Words is a dialogue on God s sovereignty and predestination To a Thousand Generations Douglas Wilson,1996-06 In arguing for biblical infant baptism it is not sufficient for us to say that infant baptism is merely consistent with the Scriptures or that a biblical case can be made for it In order for us to be satisfied that we are being biblical Christians we must be content with nothing less than a clear biblical case requiring infant baptism In a doctrinal matter of this importance the standards of evidence are high *Interpreting Literary Texts* Michael Giffin,2024-09-12 This book considers how textual interpretation has been influenced by post Kantian philosophy and aesthetics particularly the cultural transition from the correspondence theory of knowledge and truth to Nietzschean perspectivism and the canonical transition from Classicism to Romanticism to Modernism to Postmodernism It discusses the principles of interpretation the concept of reason logos and how the West s model of mind evolved The novels of Jane Austen introduce the concept of Classicism including her debt to Aristotle s thinking about Tragedy and Comedy in Poetics The two trajectories of Romanticism are discussed the philosophical trajectory through Berlin s idea of Counter Enlightenment the immanent critique of metaphysics and the aesthetic trajectory through Blake s vision of what is possible if the doors of perception can be cleansed The novels of Australia s Patrick White introduce the concept of Modernism and his attempt to imagine the real The novels of Margaret Atwood introduce the concept of Postmodernism tracing her literary evolution from an author focused on female identity to one concerned with the future of humanity The novels of Graham Greene and Muriel Spark are discussed as two different Catholic responses to Modernism The novels of Marilynne Robinson and Douglas Wilson are discussed as two different Protestant responses to Calvinism *Joy at the End of the Tether* Douglas Wilson,1999 Most Christians view the book of Ecclesiastes as an enigma a puzzle from which we might draw a few aphorisms but little else Douglas Wilson s fresh lucid treatment of this wonderful book enables us to see that its message is not a confused riddle but an incisive indictment of the wisdom of this world We learn that what we call modernity is simply a term for men sinning in the old ways with new toys and tools There is truly nothing new under the sun man s problems today are exactly what they have been since the Fall And the answer to man s problem is just as old yet forever new the fear of the Lord is the beginning of wisdom Steve Wilkins

Heaven Misplaced Douglas Wilson,2008 Though most Christians refrain from predicting exactly when our world will end many believe that when earth s finale does arrive it will be a catastrophe They expect that before Christ comes back to reclaim His own Satan will escape his chains and return to wreak havoc on our planet Details vary but the general assumption is the same things will get much much worse before they get better But is this really what the Bible teaches Leaving aside the theological terms that often confuse and muddle this question Douglas Wilson instead explains eschatology as the end of the greatest story in the world the story of humanity He turns our attention back to the stories and prophecies

of Scripture and argues for hopeful optimism the belief that God will be true to His promises that His will shall be done on earth as it is in heaven and that the peace and good will we sing about at Christmas will one day be a reality here on earth
