

4 Inspect the contact line of the motor ball pistons on the motor race located in body. This contact area must be smooth and completely free of any irregularities. If any irregularities are noted, replace the motor race.

**Note:** If irregularities are noted in the motor race, it is reasonable to assume that one or more ball pistons and rotor bores will also be damaged.

Fig. 5

5 Hold the pintle assembly in position against the cover and remove the motor rotor assembly intact.

Fig. 6

6 Inspect the rotor assembly. Remove the piston balls from the rotor, one at a time, by working clockwise from the letter stamped in the face of the rotor and placing in a prepared container.

**Note:** Each ball must be replaced in the same bore from which it was removed. Use a suitable container for piston ball storage such as an egg carton or ice cube tray.

7 Inspect the piston balls. They must be smooth and completely free of any irregularities.

8 Inspect rotor bores, rotor bushing and pintle journals for irregularities or excessive clearance. The ball piston to rotor bore clearance is select fit electronically to .0002 to .0006 of an inch. When irregularities or excessive clearance are noted, replace the complete rotor assembly.

Install motor ball pistons in their matching bores. Hold them in place with a rubber band.

Fig. 7

### Pintle Assembly—Removal

Fig. 8

9 Hold the pump assembly in the bottom position and tap lightly on the cover. Use a wood or plastic hammer so as not to damage aluminum cover. Lift the pintle assembly out.

**Important:** The pump ball piston assembly must remain intact as the ball pistons are matched to the pump rotor. Use a wide rubber band to retain the ball pistons in place during handling.

### Pintle Assembly—Disassembly/Inspection

Fig. 9

10 We do not recommend complete disassembly of the pintle assembly for cleaning. Normal flushing should be all that is required. However, if complete disassembly is required, use the following procedures:

**Note:** Do not remove the two large plugs located on pintle journal.
