Easter Outreach Manual:

Senior Outreach Dr. Dewey E. Painter Sr.,2020-02-20 Senior citizens continue to be a forgotten frontier in evangelism and local church outreach today When I first wrote this guide in 1982 it was the product of starting seventeen senior citizens outreach programs in local churches in Northeast Florida and Southeast Georgia The vision to see more churches see the value of reaching their senior citizens and providing a faith based fellowship for them was our inspiration then and remains now that local churches see a vision for these special people Sad to say this is not the case Having a senior citizens program in the local church can be one of the least expensive and most meaningful outreach of the local church or community association It requires space little funding a dedicated leader and volunteers and it can be one of the least costly programs that can be put on by the local church It is easy to do and easy to manage The need for a direct and specific program orientated toward seniors in the local church has never been greater than it is today People are living longer This is every growing field that truly is white unto harvest With the changes in our society increased life expectancy increase in birth control and now the wholesale slaughter of unwanted children called abortion and sometimes birth killing we are seeing the senior citizen population increasing **Nor'easter** ,1990 **Total Faith Initiative Coordinator's Manual** Thomas East,Ann Marie Eckert,2004 The Total Faith tm Initiative Coordinator s Manual draws on the experience of many parish communities to give leaders what they need to plan and implement dynamic and effective youth ministry including intentional catechesis The manual includes two chapters describing a vision for youth ministry and adolescent catechesis four chapters providing planning tools for using the many resources within the Total Faith tm Initiative four more chapters suggesting numerous ways for parishes to connect with youth and their families a final chapter providing practical guidance in finding and supporting youth ministry leaders The accompanying coordinator s CD includes additional tools for using the Total Faith tm resources You will find a searchable index of all activities and strategies additional handouts and PowerPoint presentations for training leaders a printable list of short descriptions for every session and more It has never been easier to create dynamic and customized ministries for your parish *Discipleship Training Manual* Walter John Smiechewicz,1996
