Forbidden Lyrics Kelsie Rae,2021-06-30 What happens when you meet your soulmate before realizing you dated her older sister first I didn't know who Dove's sister was when we first met I didn't know that I'd been fooling around with her for a few months before Dove walked into my life I didn't know that if I've done the math correctly I could be the father to her sister's child But I do know this Dove has the voice of an angel and the heart of one too I might not deserve her but I refuse to let her go She doesn't know that I was with her sister before we met She doesn't know that her niece or nephew could be my freaking kid And even though it kills me I can't let her find out *Messy Strokes*

The Ladies of Avanloch

Juliana Andrew, 2016-12-20 Vienna's alter ego Katarina has come back to haunt her. She brings with her suspicions of her husband's fidelity. Rainey's impatience with Vienna is justified as he struggles with thoughts that she is secretly wishing to be back with Anton DeMarco, the man who kept her from him for two years. His incessant love for her perseveres and a secret that she has been subconsciously harboring for twenty years regarding the castle and her emotional state surfaces. A journal from this discovery contains information regarding Avanlochs' bloodline. Rosalyn, Vienna's adopted daughter, is determined to verify this account. She and her fiancé Evan travel to the jungles of Brazil in search of the man she believes can verify it. Just days before Christmas word reaches Rainey and Vienna that the plane carrying their eldest daughter Ava did not reach its destination. It is believed to have crashed somewhere in the wilderness of northern Canada. Avanloch Castle is plunged into darkness once again as the latest tragedy unfolds. Vienna and Rainey cling to a thin thread of hope, praying that Ava is not lost to them forever.

Belgravia, 1879 *You were my madness* Andrei Dragan, You told me you couldn't understand but that you still love me the way I am. You looked me straight in the eye and then you started caressing me by taking my cold hands and looking at my eyes. You said that you love me the way I am but that you still love me as I am even if you can't understand. You told me that you feel the same way about me. You told me that you love me and that it took you a long time to accept this. You told me that when you take my cold hands and squeeze them you can feel the love I feel for you. You looked into my green eyes and told me that you have never seen anyone with eyes as green as mine. I just hope they take your hands and understand your state when you will get lost again. I just hope you never get scared again when you will look ahead again and will try to look towards what is waiting for you again. I just hope that no one shakes your soul and heart at the same time in the same way you did with me and then to leave you on a too big and too small road at the same time to then get lost in silence. I felt special in your eyes. In your eyes I was always the best. In your eyes I was the right man for you that you would never have parted from. In your eyes I was simply me. I was feeling special and wanted at the same time. Your eyes often trembled when I was telling you I love you especially when I was taking you in my arms and hugged you very hard. You didn't say anything anymore. Your words were wasted.

Time I Fall Scarlett Cole, 2021-11-16

Jase Love sucks. Especially when your own brother and fellow band mate stole the woman you were in love with. Sitting in a Michigan recording studio with him singing lyrics he wrote about her is a special kind of torture. The only thing more frustrating might be the producer's daughter who radiates sunshine and has more motivational quotes than a greeting card company. Cerys Love rocks. Heavy guitars, a voice with the burn of pure single malt, and lyrics that distill the meaning of love are the greatest things. If only the man singing didn't have a temperament as foul as the Michigan winter. Jase sitting in her car while yelling at her to get him out of there is a surprise. Why she hits the accelerator and takes him to her father's cabin on the lake is an even greater mystery. How was she supposed to know they'd end up snowed in for days? Or that when they got out again, their relationship and her views on love would be changed irrevocably. **For the Temple: A Tale of the Fall of Jerusalem** George Henty, 2021-01-18
