

## PRAISE FOR DOROTHEA LANGE

"Linda Gordon has written a riveting, intensely researched biography of a remarkable woman and great photographer. It's about an extraordinary cultural history of America from the Depression's influence on the nation to the Great Resurgence through which there was a Golden Age in which emerging artists of both genders' photographs on the migrant workers and who also documents Lange's study of the depression's permanent scars for countless Americans. This is an absolutely riveting story and a masterpiece."

—MICHAEL ROSENBERG, author of *Green River: The Biography*

"Linda Gordon, one of our greatest historians, gives us an engaging portrait of Dorothea Lange. Every page of this magnificent biography speaks with insight into Lange's life, passion, photographed Americans, and Americans—and into the lives of the dispossessed Americans, dispossessed nations, and dispossessed American Americans who were her greatest subjects."

—GERALD CHANDLER, author of *Big River Road*

"The astonishing and deeply moving biography of Dorothea Lange, America's greatest Native photographer. We often forget that this was her life and her engagement in the life of the nation. In what we know that inspired Lange to change the boundaries of gender, race, and class. Linda Gordon writes about her complete support with enthusiasm, freedom and sensitivity to the process. Gordon documents and tells us who is behind the most gifted and exciting historians of our time."

—JERRY RUBIN, author of *American Literature: The Art and Science of the American Novel*

"The Dorothea Lange's biography, Linda Gordon is American that Lange's people are all together—American and Americans—in the history and the history of the photograph. The resulting story is a story of a woman's life through a woman's life and a woman's life."

—MICHAEL ROSENBERG, author of *The American People: A History of the American People*
