Certified in Juvenile Law **ADOPTION JOYS THEY EXPECTED A MIRACLE** explains God's plan for unplanned pregnancies through moving testimonies of families who have experienced the joy of adoption. As the mother of two adopted children and one adopted grandson, I found myself rejoicing with the families through their stories. This book will be an effective tool to encourage couples to consider adopting children to complete their family. Birth parents will also understand the joy their baby will bring to the adoptive couple and perhaps cause them to consider releasing their baby for adoption. God patterned adoption by adopting us into His family through His Son Jesus Christ. May this book challenge birth and adoptive parents to allow children to experience God's unconditional love through the gift of adoption. Judith E. Shallcross, Retired Christian School principal

BLESSED! Rape to Redemption to Rewards Suzanne L. Maurer, Kristin P. Snyder, 2024-05-25

BLESSED From Rape to Redemption to Rewards reveals the tragedies of Suzanne's date rape in 1960, pregnancy, and forced marriage. Her agony is clear, as is the impact on her family. She also shows the inevitable but heart-breaking difficulties of the forced marriage and the resulting divorce. But God, Suzanne explains, and shows how God was working in her life even before she became a believer. Through a freak accident and a sister living in Hawaii, God moved Suzanne where she met her husband of now more than 55 years and built a wonderful family. Blessings abounded. And then God, God then redeemed the son conceived by date rape using basketball as His tool. This is a gripping story all by itself. Suzanne's next encounter with Almighty God's amazing grace was His using her son to lead her to Christ. The son conceived by date rape was instrumental in her own redemption. Suzanne explains how she grew in the Lord and shows readers how they themselves can mature spiritually. The Bible and prayer are fundamental keys, as are other disciplines she learned. She shows how thrilling stories of the joy and results of sharing and serving the Lord follow. Come see the Lord at work. Now at 82, Suzanne has ALS, Lou Gehrig's disease. This horrible disease to most would be a tragedy. But Suzanne, an ordinary Christian, is not a normal ALS patient. She shows us all how to joyfully live in illness and how she has new opportunities to serve the Lord. God turned horrors into blessing. Join her for her journey of living out HOPE: Helping Others Prepare for Eternity. *The Global Orphan Crisis* Diane Lynn Elliot, 2012-10-01

THIS IS NOT MY HOME Steve Thompson, 2023-10-31

After spending twenty-five years building a multiracial family, Steve Thompson realized he needed to share his story with others. Building on a daily journal he had written during a trip to Russia, he reveals the similarities between adopted children becoming part of his

family and Christians becoming a part of God's family When he and his family went to Russia to adopt two children from an orphanage he thought how they were about to join a super blessed home But then he realized that for them the notion of home was not so simple As he and his family continued their adoption journey he saw parallels between his own adoption as a child of the King and the adoptions he was undertaking The more insights he gleaned the more he felt called to write this book Join the author as he shares powerful lessons for anyone who is considering or going through the adoption process as well as anyone looking to grow in faith **The Gospel herald; or, Poor Christian's magazine**, 1874 [A Walk through Jubilees](#) James L.
