*When Doctors Kill* Joshua A. Perper,Stephen J. Cina,2010-06-14 It would come as no surprise that many readers may be shocked and intrigued by the title of our book Some especially our medical colleagues may wonder why it is even worthwhile to raise the issue of killing by doctors Killing is clearly antithetical to the Art and Science of Medicine which is geared toward easing pain and suffering and to saving lives rather than smothering them Doctors should be a source of comfort rather than a cause for alarm Nevertheless although they often don't want to admit it doctors are people too Physicians have the same genetic library of both endearing qualities and

character defects as the rest of us but their vocation places them in a position to intimately interject themselves into the lives of other people In most cases fortunately the positive traits are dominant and doctors do more good than harm While physicists and mathematicians paved the road to the stars and deciphered the mysteries of the atom they simultaneously unleashed destructive powers that may one day bring about the annihilation of our planet Concurrently doctors and allied scientists have delved into the deep secrets of the body and mind mastering the anatomy and physiology of the human body even mapping the very molecules that make us who we are But make no mistake a person is not simply an elegant biological machine to be marveled at then dissected

*To Kill a Country* Pamela J. Ray,2006-05-01 Organized Crime in Chicago Robert M. Lombardo,2012-12-30 This book provides a comprehensive sociological explanation for the emergence and continuation of organized crime in Chicago Tracing the roots of political corruption that afforded protection to gambling prostitution and other vice activity in Chicago and other large American cities Robert M Lombardo challenges the dominant belief that organized crime in America descended directly from the Sicilian Mafia According to this widespread alien conspiracy theory organized crime evolved in a linear fashion beginning with the Mafia in Sicily emerging in the form of the Black Hand in America's immigrant colonies and culminating in the development of the Cosa Nostra in America's urban centers Looking beyond this Mafia paradigm this volume argues that the development of organized crime in Chicago and other large American cities was rooted in the social structure of American society Specifically Lombardo ties organized crime to the emergence of machine politics in America's urban centers From nineteenth century vice syndicates to the modern day Outfit Chicago's criminal underworld could not have existed without the blessing of those who controlled municipal county and state government These practices were not imported from Sicily Lombardo contends but were bred in the socially disorganized slums of America where elected officials routinely franchised vice and crime in exchange for money and votes This book also traces the history of the African American community's participation in traditional organized crime in Chicago and offers new perspectives on the organizational structure of the Chicago Outfit the traditional organized crime group in

Chicago     *Borgata: Clash of Titans* Louis Ferrante, 2025-01-07 This epic three volume history of the mafia continues with *Borgata Clash of Titans* covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia's existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia's unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general's brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia's ruling body the Commission in a situation that decides if the Commission's central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body     *Murder, Lies, and Cover-Ups* David Gardner, 2018-05-15 Uncover the real truth behind mass media accounts of how they died and learn the reason for their murders These five deaths stopped the whole world in its tracks We all famously recall where we were and what we were doing when JFK was assassinated as well as the moments Elvis Princess Diana and Michael Jackson died As for Marilyn Monroe the candle flickered out long ago but only now can the truth be told about how and why she died After combing through thousands of recently declassified FBI files and interviewing key witnesses crime analysts and forensic experts during years of research investigative writer David Gardner has unearthed new information that will transform the way we look at these iconic tragedies that have long fascinated and intrigued the general public *Murder Lies and Cover Ups* reveals that Elvis Presley died not as a self obsessed caricature but as a genuine hero who may have signed his death warrant going undercover for the FBI how Marilyn Monroe's secret affairs with JFK and his brother Robert left her in the crosshairs of a lethal conspiracy why Princess Diana's death was no accident who ordered President John F Kennedy's assassination and how on three occasions Michael Jackson died of painkiller drug overdoses in the months before his death In the wake of new evidence and testimonies *Murder Lies and Cover Ups* provides many of the answers that have been elusive for so long while explaining what it was about these enduring legends that made their legacies burn so bright     *Rough Guide to Conspiracy Theories, The (3rd)* James McConnachie, Robin Tudge, 2013-02-01 Fully revised and updated *The Rough Guide to Conspiracy*

enduring mysteries Why was President Kennedy really murdered Who really did and did not want Kennedy eliminated Why and how was Oswald chosen as the scapegoat Through the use of time tested police strategies the author puts decades of professional research to the task of solving one of history's most enduring unsolved crimes **The Strength of the Wolf** Douglas Valentine, 2013-10-01 Voted Outstanding Academic Title in 2004 by Choice The Strength of the Wolf is the first complete history of the Federal Bureau of Narcotics (FBN) which existed from 1930 until its wrenching termination in 1968 The most successful federal law enforcement agency ever the FBN was populated by some of the most amazing characters in American history many of whom the author interviewed for this book Working as undercover agents and with mercenary informers around the globe these freewheeling case making agents penetrated the Mafia and the French connection breaking all the rules in the process and uncovering the Establishment's ties to organized crime Targeted by the FBI and the CIA the case makers were ironically victims of their own fabulous success in hunting down society's predators An incredible never before told story The Strength of the Wolf provides a new exciting and revealing look at an important chapter in American history *Double Cross* Summary Station, 2015-01-07 Find Out About The American Mafia And Their Control Over America In A Fraction Of The Time It Takes To Read The Actual Book For a limited time get a summary and analysis of this 1 Amazon bestseller for just 2.99 Regularly priced at 9.99 Read on your PC Mac smart phone tablet or Kindle device This beautifully written book isn't merely a tale of a mobster's life it reveals the pain of a notorious person's family Also *Double Cross* is a tale of the love and compassion a younger brother has for his older successful but ruthless sibling At times I was reminded of the opening of *A Tale of Two Cities* It was the best of times it was the worst of times After all Mooney Giancana's rule of the Outfit the Chicago mob was a financial dream come true for Mooney and those upon whom he liked whether they were mistresses or brothers Socially however Mooney's rule eventually devastated various members of the Giancana family Another reason we see such a dichotomy in the book's account of the life of Mooney Giancana is that the Great Depression took place during part of Mooney's life Men were desperate to find any kind of work especially work that paid well Yet not everyone could perform the kind of services needed to stay employed or to rise within the ranks of the Outfit The juxtaposition of the need of men to find work with the feeling of failure they had at realizing their morals and compassion prevented them from engaging in mob work was heartbreaking That is they might be killed by the mob due to their kindness Prior to reading this book my initial concern was that it might be just a recasting of historical data in an attempt to clear the Giancana name After all why would Sam Giancana confide in a younger brother regarding his illegal activities After reading the book I feel that the conversations Chuck claims to have had with Mooney are plausible and perhaps accurate Here Is A Preview Of What You'll Learn When You Download Your Copy Today Learn How One Of America's Most Ruthless Gangsters Managed To Control Politicians Learn Why The CIA Worked With The Mafia Learn About Why The Mafia Wanted To Assassinate JFK Download Your Copy Today The contents of this book are easily worth over 9.99 but for a limited time you

Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming for the first time the screen goddess's killer while utilizing the testimony of eye witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles Brentwood neighborhood Implicating Bobby Kennedy in the commission of Marilyn's murder this is the first book to name the LAPD officers who accompanied the US Attorney General to her home provide details about how the Kennedys used bribes to silence one of the ambulance drivers and specify how the subsequent cover up was aided by a noted pathologist's outrageous lies This blockbuster volume blows the lid off the world's most notorious and talked about celebrity death and in the process exposes not only the truth about an iconic star's tragic final hours but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
