A stylized illustration with a teal background. At the top, a large, yellow, textured hand holds a pair of large, orange-handled scissors. A black silhouette of a man in a suit and hat is falling from the scissors, suspended by thin white lines. The man is in a horizontal position, with his arms outstretched. At the bottom of the image, there is a silhouette of a city skyline with several buildings. The overall style is graphic and surreal.

Hanke,2020 The Bible is the most widely read book in the world It brings guidance and comfort to those who read it A great many people believe in every word of the Bible Yet there are modern scholars who have dismissed parts of the Bible as a myth or simply a moral tale They believe that the violent conquest of Canaan never happened though it is described so vividly in the Book of Joshua and the following Books of the Bible That the tribes of Israel settled peacefully in Canaan They cannot reconcile a violent conquest with the date at which they believe that the Israelites entered the Promised Land And so they have dismissed parts of the Bible as being mere myth because it is inconvenient I believe they have lost their way in interpreting the Bible I have searched through the archaeological record and matched what I have found with the events described in the Bible My book puts forward a plausible theory of how this pivotal battle unfolded See if you agree with me The Battle of Jericho truth or myth

**Experience of a Lifetime** John Crawford,2016-04-01 The First World War is widely conceived as a pointless conflict that destroyed a generation Petty squabbles between emperors pushed na ve young men into a nightmare of mud and blood that killed millions and left scarred and embittered survivors However the ongoing reinterpretation of the First World War reveals that matters were rather more nuanced and complex Hardship and death were all too common but there were positive experiences too Vast numbers of people for example travelled to new parts of the world and encountered new cultures inspiring a sense of wonder and respect Military tactics were improved and great military commanders of the inter war and Second World War periods came to prominence during the First World War The conflict also had a formative influence on politicians writers artists union leaders businessmen and some ethnic minorities who used their participation to press for equal rights and full citizenship This book s 16 chapters written by a range of leading New Zealand and international historians explains how      *The Red God* C. Tom Foreman's remarkable journey from half-hearted couch potato to ultra marathon runner with four half marathons three marathons and 2 000 miles of training in between a poignant and warm hearted tale of parenting overcoming the challenges of age and quiet triumph As a journalist whose career spans three decades CNN correspondent Tom Foreman has reported from the heart of war zones riots and natural disasters He has interviewed serial killers and been in the line of fire But the most terrifying moment of his life didn't occur on the job it occurred at home when his 18 year old daughter asked How would you feel about running a marathon with me At the time Foreman was approaching 51 years old and his last marathon was almost 30 years behind him The race was just sixteen weeks away but Foreman reluctantly agreed Training with his daughter who had just started college would be a great bonding experience albeit a long and painful one My Year of Running Dangerously is Foreman's journey through four half marathons three marathons and one 55 mile race What started as an innocent request from his daughter quickly turned into a rekindled passion for long distance running for the training the camaraderie the defeats and the victories Told with honesty and humor Foreman's account captures the universal fears of aging and failure alongside the hard won moments of triumph tenacity and going further than you ever thought possible

**Extremes of Crossed Paths** Samuel N. Kariuki, 2016-05-16 Extremes of Crossed Paths Book 1 is a fiction based on true experience Molo a region in Rift Valley Kenya hived from the favor of God and handed over to the cruelty of extremely ungrateful and manipulative demagogues saw the underhand authorities revel on bloodshed without regret There was condemnation to generations comprised of the overly trusting innocent communities driven to wield weapons against one another without any idea what hit them Communities with unlimited desires to scale the world to heights of civility called out for reason as their offspring bore the full consequences of unsuspected bitterness and cruelty harbored by individuals who were good neighbors but were bent on wiping the entire generations that believed in intercommunity coexistence Such was the brutality that was meted to the most unsuspecting candidates of genocide It came too close to wipe the region of Molo South off the map of Kenya That which would thrive in the decimation of the noble cause and create unlimited despondency when the world watched without raising a finger to rescue As the younger generation found solace in the USA a land far away from home with stakes too high they had to dig for the new environment balancing pain and bitterness of their past versus the new cultural order to achieve their dire need for resources to uplift families yet that too couldn't turn the mixture of signals that were constantly indicative of a resumption of the earlier tribulation And the extremes of their crossed paths resulted in only what they knew too well more anguish

Pedalare!** John Foot, 2011-05-03 Cycling was a sport so important in Italy that it marked a generation sparked fears of civil war changed the way Italian was spoken led to legal reform and even prompted the Pope himself to praise a cyclist by name from his balcony in St Peter's in Rome It was a sport so popular that it created the geography of Italy in the minds of her citizens and some have said that it was cycling not political change that united Italy *Pedalare Pedalare* is the first complete history of Italian cycling to be published in English The book moves chronologically from the first Giro d'Italia Italy's equivalent of the Tour de France in 1909 to the present day The tragedies and triumphs of great riders such as Fausto Coppi and Gino Bartali appear alongside stories of the support riders snow bound mountains and the first and only woman to ride the whole Giro Cycling's relationship with Italian history politics and culture is always up front with reference to fascism the cold war and the effect of two world wars The sport is explored alongside changes in Italian society as a whole from the poor peasants who took up cycling in the early pioneering period to the slick professional sport of today Scandals and

controversy appear throughout the book as constant features of the connection between fans journalists and cycling

Concluding with an examination of doping which has helped to destroy what was at one time the most popular sport of all

Brian,2021-02-25 The church as we know it in North America is dying Statistics make this overwhelmingly clear And yet despite this observation the church remains a resurrection people How might these seemingly contradictory observations hold true Taking a cue from Romans 5 Rustin Brian suggests that resurrection necessarily implies death The church is called to follow Christ This is a call to come and die The Christian affirmation is that death is not truly the end though but rather the beginning of new and unending life in him And so the first statement must be tempered by stating that the church is going through death on the way to resurrection This book is truly one of two halves then The first half examines the present death of the church The second half examines the possibility of resurrection for the church Throughout key factors for decline are considered such as poor and destructive evangelistic practices civil religion moral therapeutic deism and consumerism In the end Brian suggests that the church embrace its peculiarity the things that make us dare it be said a religion As we embrace our strange beliefs therefore and discontinue our obsession with growth and relevance we just might discover the possibility for renewed and resurrected faith amidst the death that we are experiencing      **On the Brink of Tears** Peter Rimmer,2019-05-03 Can bitter enemies ever be friends Harry Brigandshaw is presumed dead missing in the wilds of Africa And Colonial Shipping is stolen Tina is miserable on Elephant Walk whilst the new generation of Brigandshaws and St Clairs are on the threshold of new beginnings Young carefree full of excitement and eager for success The Great War is behind them the world has licked their wounds and a new future beckons But menacing undercurrents are permeating There s talk The Fourth Estate spinning their stories Scaremongering Rumours Hitler inciting hatred His power seductive Yet the Allies are grinding Germany into the dust but for how long The Gestapo and the Brownshirts are lurking raising national pride waiting to strike And back in England the youngsters are living the high life trying to ignore the gossip But how can they when all the signs are there for the inevitable It s the calm before the storm The world is on the brink of tears      Hunter and Hunted Cora Buhlert,2018-05-11 Once Anjali Patel and Mikhail Grikov were soldiers on opposing sides of an intergalactic war They met fell in love and decided to go on the run together Now Anjali and Mikhail are trying to eke out a living on the independent worlds of the galactic rim while attempting to stay under the radar of those pursuing them On their way back from a mission Anjali and Mikhail are ambushed by a squad of bounty hunters Wounded and hunted through a frozen landscape they find shelter in a mountain lodge But their pursuers are still out there tracking them And with Anjali too injured to fight Mikhail must face down seven bounty hunters on his own This is a novella of 21000 words or approx 75 print pages in the In Love and War series but may be read as a standalone      **Don't Blink** John Merritt,2015-07-07 Don t Blink is a call to life we not only need but also hunger for a call to go beyond survival to full fledged life It will be a gift to your spirit
