Still lifes are a fundamental part of any artist's repertoire. Now anyone can bring simple still lifes to life in vibrant color with this delightful trace and color guide. Inside, six detailed templates are provided to help the beginning artist get started with a line drawing that they can color or paint in the medium of their choice. Artists can simply transfer the template line drawings to paper or canvas with the included graphite paper. Then, using the color references and tips in the book, they can add color and create their own still life masterpiece. The book includes 32 pages of instruction and inspiration, providing basic information about color theory as well as an introduction to several different color mediums: colored pencil, oil, acrylic, watercolor, pastel, and marker. The overview for each medium covers the essential tools and materials an artist may need, including what types of paper or canvas can be used and any other special materials, as well as how to use various techniques to achieve effects. From colorful florals to fruit and vegetable compositions, art enthusiasts will find everything they need to create their own still life artwork. Includes six removable templates featuring detailed still life artwork and four reusable sheets of graphite paper for transferring.
