

These authors conclude that the use of the word "strong" is not appropriate for describing high-strength, low-modulus polymers.

• Digital marketing audit helps with the following:
• Offer a good insight for your growing marketing and business strategy.

These authors also suggest that the use of a single, common, standardized instrument to measure the construct of self-esteem is not sufficient to capture the complexity of the construct. They argue that the use of multiple instruments is necessary to capture the complexity of the construct.
