magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Zinnophobia David

Detmer, 2018-09-28 Zinnophobia offers an extended defense of the work of radical historian Howard Zinn author of the

bestselling *A People's History of the United States* against his many critics. It includes a discussion of the attempt to ban Zinn's book from Indiana classrooms, a brief summary of Zinn's life and work, an analysis of Zinn's theorizing about bias and objectivity in history, and a detailed response to twenty-five of Zinn's most hostile critics, many of whom are or were eminent historians. A major contribution to bringing Zinn's great contributions to even broader public attention and exposing features of intellectual and political culture that are of no little interest.

The Publishers Weekly, 1901

13 Colonies! 13 Years! Mary Wheeler, Jill Terlep, 2006-09-30

Students revisit the American Revolution through guided practice activities, complete lesson plans, reproducible worksheets, poems, songs, and an educational play packaged into this unique teacher resource book. This title integrates creative arts, innovative activities, and original music. The content is selected to coordinate with National Standards for History Standards for Grades K-4 and National Standards for United States History Standards for Grades 5-12. Two other important components of the book are a musical play and a pantomime. While entertaining students, it develops varied educational concepts and expands critical thinking skills. Students may stage the musical for an audience, act it out in class, or read it silently. All lyrics can be used as songs or read as poetry. Everything is reproducible. Complete musical scores as well as the complete script of the play are included and ready for use in student productions.

Freefall of the American University Jim Nelson Black, 2012-12-03

It's happening in colleges all across the country. Instead of being educational institutions designed to encourage the free discussion of ideas, universities have become prisons of propaganda, indoctrinating students with politically correct and often morally repugnant ideas about American life and culture. This book exposes the liberal bias in today's universities, providing hard evidence in clear and unimpeachable terms that shows how today's colleges are covertly and overtly proselytizing with leftist slants on sexuality, politics, and lifestyles. By naming names and providing specific and credible insights from faculty members, administrators, professional observers, and analysts who have witnessed and chronicled the intellectual and ethical collapse taking place within the academy, this book offers a broad overview of the issues, the history of the problems, analysis from a broad range of academics and professionals, and also observations of the university students themselves in their own words from schools all across the nation.

The History of the English Bible Blackford Condit, 1896

The Bear Doesn't Know Paul Schullery, 2021-09

At once a stirring adventure tale, a candid memoir, an offbeat natural history, and a smart literary chronicle, *The Bear Doesn't Know* is a bear lover's book of wonders, rich in the joy, beauty, and inspiration found during a life well lived in bear country.
