

# DON'T QUIT

*When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low but the debts are high,  
And you want to smile but you have to sigh,  
When care is pressing you down a bit,  
Rest if you must, but don't you quit.*

*Life is strange with its twists and turns,  
As every one of us sometimes learns,  
And many failures turn about  
When we might have won had we stuck it out.  
Don't give up though the pace seems slow –  
You may succeed with another blow.*

*Success is failure turned inside out –  
The silver tint of the clouds of doubt,  
You can never tell how close you are,  
It may be near when it seems so far;  
So stick to the fight when you're hardest hit –  
It's when things seem worst that you must not quit.*

*Creative in Struggle* Twilla R. Welch, 2007-09 Creative in Struggle is the true and frank account of the author's experience of teaching Karen students in a refugee camp on the Thai Burma border It presents actual events but does not reduce them down to a mere chronology Instead it charts a challenging reflection on the frailties of being a helper the weaknesses of being a Westerner and a realization of the lived meaning of spiritual freedom even when they are painful to admit Interspersed between the author's chapters are essays written by the students themselves The essays tell their stories in their words of what it means to be an oppressed and targeted tortured and hunted silenced and displaced people Although the story is an intensely personal one through the articulation of the inner psyche the reader is moved from a safe and distant place of the observer into one which at times feels incredibly close utterly naked and frighteningly vulnerable The reader is compelled to consider the implications of freedom of oppression and of personal responsibility Creative in Struggle brings to the forefront of our minds and to the center of our hearts one unavoidable and self-evident truth that their freedom and ours are indeed inextricably linked
