Soul and Body Diseases, Remedies and Healing in Middle Eastern Religious Cultures and Traditions

,2023-07-31 Aiming to develop a less studied literary genre this book provides a well rounded picture of spiritual and physical diseases and their remedies as they were ingrained in the imagination and practices of Middle Eastern Abrahamic cultures with a special emphasis of Christian communities Greeks Byzantines Syrians Armenians Georgians Ethiopians The volume traces traditions dealing with the onset of a disease in the body and soul the search for remedy the maintenance of healing and the engagement of these processes with faith either through their affirmation in the public sphere or remaining within the personal framework as in monastic traditions A recurring presence in religious literature and the history of the intellectual world the confrontation between disease and healing may well still be current for our modern understanding of the paths to seeking and maintaining the health of one s body and soul without excluding the factor of faith as a core principle

The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski,2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today s world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely

Treasure in the Wilderness Andrew D. Mayes,2023-06-29 This exciting resource on desert spirituality is quite unlike any other at once a physical journey to outstanding deserts of the planet and an odyssey of the soul A journey of discovery takes us across five continents as we venture to places few pilgrims reach the Gazan desert the Sahara the Australian outback the Athos wilderness and the Ordos Desert of China and the Syrian desert among others Evocative descriptions by early travelers and by the author immerse us into a diversity of wilderness landscapes stimulating the senses and the imagination Physicality leads to spirituality as we listen to compelling voices that speak to us poignantly across space and time including spiritual writers long forgotten or not well known These unearth for

us the treasure we seek we uncover the distinctive charism of each desert offering us different and challenging ways of looking at the world and at the spiritual life We discover the unpredictable desert to contain unexpected priceless treasures of transformative wisdom that speak uncannily into our own contemporary spiritual search We see how these gems can energize and inspire our discipleship or spiritual practice As we embark on this spiritual quest we may never be the same again

Dorotheos of Gaza and the Discourse of Healing in Gazan Monasticism Kyle A. Schenkewitz, 2016 Serving as a dynamic figure in the monastic school Dorotheos of Gaza transformed the traditional understanding of healing in the spiritual life Gazan monastic teachers Isaiah of Scetis Barsanuphius John and Dorotheos utilized this discourse of healing to instruct and guide their followers in the monastic life As a predominant part of human existence sickness and suffering were sought to be understood and interpreted For some teachers healing was purely a metaphor for spiritual renewal brought about through illness and pain For others physical distress was instructive for renewed endurance and trust Driven by a new distinction Dorotheos pursued the concept of healing as an extension beyond the metaphor and into the physical reality experienced in the body Encouraging his followers to pursue this idea he further developed the importance of healing in his tradition by emphasizing the significance of physical and spiritual well being The life of healing he envisioned was a life full of virtue carefully navigating all disruptions of life and strengthening the soul and the body

Holy Waters Ryan Lemasters, Stephen Covell, 2024-07-10 This edited volume brings together scholars from across disciplines to examine the relationship between religion and alcohol It examines the historical social ritual economic political and cultural relationship between religion and alcohol across time periods and around the world Twelve chapters are tied together by two major themes first gender identity and its intersection with religion and alcohol second identity construction in religious communities demonstrating how alcohol can be used as a distinguishing factor for religious ethnic and national identity A key focus of the volume is how alcohol can bridge and divide the point at which the sacred and secular meet With its interdisciplinary approach and engaging style this book is an essential resource for undergraduate and graduate students in religion departments and appeals to scholars of material culture food and alcohol Additionally the book is of interest to professionals in the alcohol industry particularly those involved in microbrewing and winemaking who are interested in understanding the historical and

cultural contexts of their craft **Liturgical Subjects** Derek Krueger, 2014-09-05 Liturgical Subjects examines the history of the self in the Byzantine Empire challenging narratives of Christian subjectivity that focus only on classical antiquity and the Western Middle Ages As Derek Krueger demonstrates Orthodox Christian interior life was profoundly shaped by patterns of worship introduced and disseminated by Byzantine clergy Hymns prayers and sermons transmitted complex emotional responses to biblical stories particularly during Lent Religious services and religious art taught congregants who they were in relation to God and each other Focusing on Christian practice in Constantinople from the sixth to eleventh centuries Krueger charts the impact of the liturgical calendar the eucharistic rite hymns for vigils and festivals and scenes from the life of Christ on the making of Christian selves Exploring the verse of great Byzantine liturgical poets including Romanos the Melodist Andrew of Crete Theodore the Stoudite and Symeon the New Theologian he demonstrates how their compositions offered templates for Christian self regard and self criticism defining the Christian I Cantors choirs and congregations sang in the first person singular expressing guilt and repentance while prayers and sermons defined the collective identity of the Christian community as sinners in need of salvation By examining the way models of selfhood were formed performed and transmitted in the Byzantine Empire Liturgical Subjects adds a vital dimension to the history of the self in Western culture

Late Antique Letter Collections Cristiana Sogno, Bradley K. Storin, Edward J. Watts, 2019-11-19 Bringing together an international team of historians classicists and scholars of religion this volume provides the first comprehensive overview of the extant Greek and Latin letter collections of late antiquity ca 300 600 c e Each chapter addresses a major collection of Greek or Latin literary letters introducing the social and textual histories of each collection and examining its assembly publication and transmission Contributions also reveal how collections operated as discrete literary genres with their own conventions and self presentational agendas This book will fundamentally change how people both read these texts and use letters to reconstruct the social history of the fourth fifth and sixth centuries Transfiguration and Hope D. Gregory Van Dussen, 2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God's ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself On Liturgical Asceticism David W. Fagerberg, 2013-03-04 Drawing on the Eastern Orthodox tradition of

asceticism and integrating it with recent Western thought on liturgy David W Fagerberg examines the interaction between the two and presents a powerful argument that asceticism is necessary for understanding liturgy as the foundation of theology

Symeon Stylites the Younger and Late Antique Antioch Lucy Parker, 2022-06-23 Symeon Stylites the Younger and Late Antique Antioch From Hagiography to History is a study of the authority of the holy man and its limits in times of crisis Lucy Parker investigates the tensions that emerged when increasingly ambitious claims about the powers of holy men came into conflict with undeniable evidence of their failures and explores how holy men and their supporters responded to this The work takes as its central figure Symeon Stylites the Younger c 521 592 who from his vantage point on a column on a mountain close to Antioch witnessed a period of exceptional turbulence in the local area which in the sixth century experienced plague earthquakes and Persian invasion Through an examination of Symeon's own writings as well as his hagiographic biography it reveals that the stylite was a divisive figure who played upon social tensions and upon culturally sensitive areas such as paganism to carve out a role for himself as prophet and spiritual authority in the face of considerable opposition It sets Symeon's life and cult in the context of Antioch and eastern Roman society offering a new perspective on the state of the empire in the period before the rise of Islam It argues that hagiography is an exceptionally rich source for the historian offering insights into debates and tensions which reached to the heart of Christianity

Saints and Role Models in Judaism and Christianity Marcel Poorthuis, Joshua J. Schwartz, 2004-01-01 This volume deals with the role of saints and exemplary individuals in Judaism and Christianity Although sharing the Hebrew Bible and recognizing the same Biblical figures there both religions have developed widely divergent perspectives upon the significance of these figures although there are occasional common motifs and themes Moreover even the contrasting themes betray an underlying interaction between both religions as is clear from the contributions on for example Melchizedek Elijah the Desert Fathers Rabbis on clothing the Apostle Peter in Jewish tradition the Maccabees in Christian tradition and the Biblical examples in Saint Antony the Hermit The book examines Jewish and Christian perspectives upon saints and role models from the Biblical period to the present time It will be of special importance to scholars and general readers interested in an interdisciplinary approach to theology rabbinics history art history and much more

The Life of Aelred of Rievaulx Walter Daniel, 1994 Walter Daniel knew Aelred well and attended him on his deathbed in 1167 He remembered and portrayed him as abbot counselor and friend Contemporaries who had known him as a public figure so immediately criticized the Life that Walter was driven to justify his portrait in the subsequent Letter to Maurice A new introduction incorporates scholarship of the forty years since
