Dostoevsky The Stir Of Liberation 1860 1865:

Dostoevsky Joseph Frank, 1986 Begins with the writer's return to St Petersburg after a ten year Siberian exile Having met with sudden fame as the highly praised young author of *Poor Folk* in 1845 Dostoevsky was abruptly forgotten after his arrest and exile for political conspiracy He came back to the capital determined to reestablish his literary reputation Now as the editor of and writer for two literary journals that joined in the cultural and social ferment of Russia in the early 1860s Dostoevsky was to discover the themes that would underlie his mature masterpieces *Dostoevsky* Joseph Frank, 2020-03-31 Volume three of one of the greatest literary biographies of our time Joseph Frank's award winning five volume *Dostoevsky* is widely recognized as the best biography of the Russian novelist in any language and one of the greatest literary biographies ever written In this monumental work Frank blends biography intellectual history and literary criticism to illuminate Dostoevsky's works and set them in their personal historical and ideological context More than a biography in the usual sense this is a cultural history of nineteenth century Russia providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work This volume begins with the writer's return to Saint Petersburg after a ten year Siberian exile and traces how his engagement in the cultural and social ferment of Russia in the early 1860s led to his discovery of the themes that would underlie his mature masterpieces *Dostoevsky* Joseph Frank, 1987 **Dostoevsky and Kant** Evgenia Cherkasova, 2009 In this book Evgenia Cherkasova brings the philosopher Kant and the novelist Dostoevsky together in conversations that probe why duty is central to our moral life She shows that just as Dostoevsky is indebted to Kant so Kant would profit from the deeply philosophical narratives of Dostoevsky which engage the problem of evil and the claims of human community She not only produces a novel reading of Dostoevsky but also guides us to later often neglected Kantian texts This study is written with scholarly care penetrating analysis elegance of style and moral urgency Cherkasova writes with both mind and heart Emily Grosholz Professor of Philosophy The Pennsylvania State University *Dostoevsky and the Epileptic Mode of Being* Paul Fung, 2017-07-05 For Fyodor Dostoevsky 1821-81 who lived with epileptic seizures for more than thirty years illness is an ineradicable part of existence Epilepsy in his writings denotes both a set of physical symptoms and a state of survival in which the protagonists incessantly try to articulate theorize or master what is ungraspable in their everyday experience Their attempts to deal with what they cannot control or comprehend results in disappointment or what Dostoevsky called a mystical terror Dostoevsky's heroes are unable fully to understand this state and their existence becomes epileptic in so far as self knowledge and self coincidence are never achieved Fung explores new critical pathways by reexamining five of Dostoevsky's post Siberian novels Drawing on insights from writers including Benjamin Blanchot Freud Lacan and Nietzsche the book takes epilepsy as a trope for discussing the unspeakable moments in the texts and is intended for students and scholars who are interested in the subject of modernity critique of the visual and dialogues between philosophy and literature Paul Fung is Assistant Professor in English at Hang

Seng Management College Hong Kong *Reading David Foster Wallace between philosophy and literature* Allard den Dulk, Pia Masiero, Adriano Ardivino, 2022-11-08 This book breaks new ground by showing that the work of David Foster Wallace originates from and functions in the space between philosophy and literature Philosophy is not a mere supplement to or decoration of his writing nor does he use literature to illustrate pre established philosophical truths Rather for Wallace philosophy and literature are intertwined ways of experiencing and expressing the world that emerge from and amplify each other The book does not advance a fixed or homogenous interpretation of Wallace s oeuvre but instead offers an investigative approach that allows for a variety of readings The volume features fourteen new essays by prominent and promising Wallace scholars divided into three parts one on general aspects of Wallace s oeuvre such as his aesthetics form and engagement with performance and two parts with thematic focuses namely Consciousness Self and Others and Embodiment Gender and Sexuality

Dostoevsky the Thinker James Patrick Scanlan, 2002 For all his distance from philosophy Dostoevsky was one of the most philosophical of writers Drawing on his novels essays letters and notebooks this volume examines Dostoevsky s philosophical thought

Dostoevsky P.H. Brazier, 2018-01-01 As a writer and prophet Dostoevsky was no academic theologian yet his writings are deeply theological his life beliefs even his epilepsy all had a role in generating his theology and eschatology Dostoevsky s novels are riven with paradoxes are deeply dialectical and represent a criticism of religion offered in the service of the gospel In this task he presented a profound understanding and portrait of humanity Dostoevsky s novels chart the movement of the human into death either the movement through paradox and Christlikeness into Christ s cross a soteriology often characterized by the apophatic negation and self denial what we may term the Mark of Abel leading

to salvation and resurrection or conversely the movement of those who refuse Christ's invitation to be redeemed and continue to fall into a self-willed death and a self-generated hell the Mark of Cain This eschatology becomes a theological axiom which he unceasingly warned people of in his mature works Startlingly original stripped of all religious pretence some prostitutes and criminals might just have a better understanding of salvation than some of the pietistic wealthy and cultured classes Dostoevsky as a prophet forewarned of the politicized humanistic delusions of the twentieth century a prophet crying out through the wilderness

The Idiot Fyodor Dostoyevsky, 1998 Revealing Dostoevsky's acute artistic sense and penetrating psychological insight this new translation is meticulously faithful to the original

Dostoevsky's Conception of Man Peter McGuire Wolf, 1997-10 Dostoevsky's novels have contributed to a conception of man that reverberates in the conclusions of prominent twentieth century philosophical anthropologists Max Scheler Martin Heidegger Jean Paul Sartre Maurice Merleau Ponty and Albert Camus among others have admitted that the works of Dostoevsky had an influence on the manner in which they learned to conceive of human nature and the world in which humans live Our aim in this dissertation is to ask what is there in the novels of Dostoevsky concerning the nature of man of which certain philosophers could claim that in their philosophical conceptions of man they were positively influenced by him The main thesis is substantiated with a careful analysis of four novels Notes From the House of the Dead Zapiski iz mertvogo doma Notes From the Underground Zapiski iz podpol'ia Crime and Punishment Prestuplenie i nakazanie and The Brothers Karamazov Brat'ia Karamazovy These novels were chosen partly because I have come to the conclusion that these novels more than others concretely show in what sense the leading characters appear to have made themselves be what they had freely chosen to be under the circumstances in which they had to live and that they were fully aware of the responsibility they had to bear for the implications and consequences of what they had thus decided Based upon a close reading four interpretive chapters employ the most significant criticism from English Russian and French literary scholarship Dostoevsky's philosophical conception of man is compared and contrasted with the conception that Scheler and Heidegger hold i.e. that freedom is man's essence Sartre's atheistic humanism and Camus thought The following conclusions are consonant with Dostoevsky's work freedom is constitutive for the being or the mode of being essence of man it is an inalienable duty one must become oneself Man strives to overcome himself and to exceed his freedom but in so doing invariably loses it Man exceeds himself only in the sense that he realizes an ideal human possibility The Dostoevskian man reveals not only the absence of human nature but also the enormous power which man possesses for achieving his ideal human possibility

A Nation Astray Ingrid Anne Kleespies, 2012-11-15 The metaphor of the nomad may at first seem surprising for Russia given its history of serfdom travel restrictions and strict social hierarchy But as the imperial center struggled to tame a vast territory with ever expanding borders ideas of mobility motion travel wandering and homelessness came to constitute important elements in the discourse about national identity For Russians of the nineteenth century national identity was anything but stable This rootlessness is

at the core of *A Nation Astray Here* Ingrid Anne Kleespies traces the image of the nomad and its relationship to Russian national identity through the debates and discussion of literary works by seminal writers like Karamzin Pushkin Chaadaev Goncharov and Dostoevsky Appealing to students of Russian Romanticism nationhood and identity as well as general readers interested in exile and displacement as elements of the human condition this interdisciplinary work illuminates the historical and philosophical underpinnings of a basic aspect of Russian self determination the nomadic constitution of the Russian nation

Russian Messianism Peter J. S. Duncan, 2002-11 This unique work will be of great interest to those engaged in politics and Russian studies as well as professionals dealing with Russia

Raskolnikov and Svidrigailov Harold Bloom, 2009 Brilliantly evil the protagonist and antagonist in Dostoevsky's masterwork *Crime and Punishment* explore the duality of human nature

The Brothers Karamazov Fyodor Dostoyevsky, 2003-02-27 The most magnificent novel ever written Sigmund Freud The murder of brutal landowner Fyodor Karamazov changes the lives of his sons irrevocably Mitya the sensualist whose bitter rivalry with his father immediately places him under suspicion for parricide Ivan the intellectual driven to breakdown the spiritual Alyosha who tries to heal the family's rifts and the shadowy figure of their bastard half brother Smerdyakov Dostoyevsky's dark masterwork evokes a world where the lines between innocence and corruption good and evil blur and everyone's faith in humanity is tested Translated with an Introduction and notes by DAVID McDUFF

Dostoevsky's Political Thought Richard Avramenko, Lee Trepanier, 2013-05-23 Recognized as one of the greatest novelists of all time Fyodor Dostoevsky continues to inspire and instigate questions about religion philosophy and literature However there has been a neglect looking at his political thought its philosophical and religious foundations its role in nineteenth century Europe and its relevance for us today Dostoevsky's Political Thought explores Dostoevsky's political thought in his fictional and nonfictional works with contributions from scholars of political science philosophy history and Russian Studies From a variety of perspectives these scholars contribute to a greater understanding of Dostoevsky not only as a political thinker but also as a writer philosopher and religious thinker

Confronting Dostoevsky's Demons James Goodwin, 2010 Although criticized at one time for its highly tendentious spirit Dostoevsky's *Demons* 1871 1872 has proven to be a novel of great polemical vitality Originally inspired by a minor conspiratorial episode of the late 1860s well after Dostoevsky's death 1881 the work continued to earn both acclaim and contempt for its scathing caricature of revolutionists driven by destructive anarchic aims The text of *Demons* assumed new meaning in Russian literary culture following the Bolshevik triumph of 1917 when the reestablishment and expansion of centralized state power inevitably revived interest in the radical populist tendencies of Russia's past in particular the anarchist thought of Dostoevsky's legendary contemporary Mikhail Bakunin 1814 1876 *Confronting Dostoevsky's Demons* is the first book to explore the life of Dostoevsky's novel in light of disputes and controversies over Bakunin's troubling legacy in Russia Contrary to the traditional view which assumes the obsolescence of *Demons* throughout much of the Communist period 1917 1991 this book demonstrates that the potential

resurgence of Bakuninist thought actually encouraged reassessments of Dostoevsky's novel. By exploring the different ideas and critical strategies that motivated opposing interpretations of the novel in post-revolutionary Russia, *Confronting Dostoevsky's Demons* reveals how the potential resurrection of Bakunin's anti-authoritarian ethos fostered the return of a politically reactionary novel to the canon of Russian classics.

Crime and Punishment by Fyodor Dostoyevsky, 2017. *Crime and Punishment* is the story of a murder committed on principle of a killer who wishes to set himself outside and above society. It is marked by Dostoevsky's own harrowing experience and yet there are moments of wild humour. This authoritative translation comes with a challenging new introduction and helpful annotation.

Discovering Sexuality in Dostoevsky by Susanne Fusso, 2008-01-29. Most discussions of sexuality in the work of Dostoevsky have been framed in Freudian terms. But Dostoevsky himself wrote about sexuality from a decidedly pre-Freudian perspective. By looking at the views of human sexual development that were available in Dostoevsky's time and that he, an avid reader and observer of his own social context, absorbed and reacted to, Susanne Fusso gives us a new way of understanding a critical element in the writing of one of Russia's literary masters. Beyond discovering Dostoevsky's own views and representations of sexuality as a reflection of his culture and his time, Fusso also explores his artistic treatment of how children and adolescents discover sexuality as part of their growth. Some of the topics Fusso considers are Dostoevsky's search for an appropriate artistic language for sexuality; a young narrator's experimentation with homoerotic desire and unconventional narrative in *A Raw Youth*; and Dostoevsky's approach to a young man's sexual development in *A Raw Youth* and *The Brothers Karamazov*. She also explores his complex treatment of a child's secret sexuality in his account of the Kroneberg child abuse case in *A Writer's Diary* and his conception of the ideal family, a type of family that appears in his works mainly by negative example. Focusing mainly on sexual practices considered deviant in Dostoevsky's time, both because these are the practices that his young characters confront and because they offer the most intriguing interpretive problems, Fusso decodes the author's texts and their social contexts. In doing so, she highlights one thread in the intricate thematic weave of Dostoevsky's novels and newly illuminates his artistic process.
