

The image features two medieval helmets, likely from the 15th or 16th century, resting on a dark, reflective surface. The helmet in the foreground is a closed helmet with a large, rounded nose guard (nasal) and a visor. The second helmet is positioned behind it, slightly to the right. The background is a soft, hazy sunset or sunrise sky with warm orange and yellow tones. The title 'CHIVALRY - NOW' is overlaid in a large, white, serif font, with 'CHIVALRY' on the top line and '- NOW' on the bottom line.

## **Chivalry Now The Code Of Male Ethics:**

**Chivalry-Now** Joseph D. Jacques,2012-04-27 What does it mean to be a man When a culture fails to answer that properly the results can be disastrous For men it can lead to broken identity overcrowded prisons spousal abuse gang violence chemical addiction and aggressive anti social tendencies that wreck havoc all over the world For women it can mean living in a suppressed environment where involvement is marginalized Using medieval chivalry as a springboard this book leads the reader into a thought provoking quest for values long ignored By incorporating freedom personal authenticity democracy and equality including feminism this new form of chivalry is entirely relevant for today s world **Knight of the Grail Code**

Rick Kasperek,2014-12-05 In an attempt to discover what has become hidden within the growing darkness of our society Knight of the Grail Code examines the source of our natural moral instincts and how following these transcendent morals can lead to physical mental and sociological health We discover the source of our morality and find that like the Grail it gives us health and life And also like the Grail it is the quest for its discovery that reveals our true nature *The Deeper Quest* D.

Joseph Jacques,2012-04-27 The Deeper Quest introduces us to philosophical concepts that were instrumental in developing our Western cultural background and deciding who we are as a people Without knowing them we experience a personal and cultural deficit that is detrimental to present needs and those of the future We feel lost angry incomplete Regaining these concepts places us back on the path of our own evolution by giving us purpose and meaning It also allows us to heal many of our social ills from the base up Social problems are merely symptoms that point to our loss As we correct who we are they will naturally subside Social Aesthetics and the School Environment Adam I. Attwood,2017-09-30 This book theorizes

aesthetic classroom management through a hermeneutical approach with three fields of literature history and philosophical foundations of chivalry chivalry s promulgation through the Victorian Age and parallel issues of identity in twenty first century teacher education The aim of the book is to examine the relationship between chivalric ethos and education The presented case study addresses more specifically the following question how can chivalry be re imagined or theorized in an educational setting Few studies address the concept of aesthetics and hermeneutical context in American classroom management and classroom life and Attwood pinpoints and traces the medieval social concept of chivalry through the centuries and argues it has manifested itself in classroom social construction in the twenty first century Quicklet on

regulatory function in cultural negotiations of political and intellectual change in eighteenth century Britain against the backdrop of patriotic national self concepts This study discusses early eighteenth century common sense in four broad complexes as to its discursive functions that are ethical which at that time implies aesthetic as well transgressive as a corrective political in patriotic constructs of the nation and repressive of otherness The selection of texts in this study strikes a balance between dominant literary culture Swift Pope Defoe Fielding Johnson and the periphery such as pamphlets and magazine essays satiric poems and patriotic songs
