Explains how to teach basic letters. Shows you how to help them make progress at school.

Uncover the Roots of Challenging Behavior Michelle Salcedo, 2019-01-28. Teach social skills and enrich classrooms to reduce problem behaviors and nurture growth. When teachers create environments that teach skills rather than punish individual actions, they reduce behavior problems and nurture the growth of all learners. This book expertly guides early childhood teachers to analyze their classroom elements, routines and responses to children. Much like gardeners who adjust soil, water or fertilizer to help flowers bloom, educators of young children must look beyond challenging behaviors to what a child's actions are communicating about her learning environment or home life. Digital content includes all forms from the book along with a PDF presentation. A free PLC Book Study Guide for use with communities of practice is available at freespirit.com.

Baby And Toddler Learning Fun Sally Goldberg, 2007-10-12. It's never too early to share the joy of learning with a child. Sally Goldberg gives parents the tools to provide such rewarding experiences in an organized, fun way with this special book. Here are more than fifty entertaining activities to enjoy with very young children with instructions for making the toys needed for play. Baby and Toddler Learning Fun also provides smart tips for enriching the home environment in other ways for baby's learning. As children grow, the activities can be easily adapted so they remain as much fun for a toddler as for an infant. It's quick and

inexpensive to make the toys out of the stuff infants and toddlers already enjoy looking at or handling plastic containers stiff paper brightly colored scraps of material and other household items This hands on book not only helps parents teach babies important concepts about colors shapes letters and numbers but also brings parent and child closer through engaging playtimes The activities aren't to be used as drills but rather as part of dynamic play that parent and child will enjoy Charts help parents keep track of concepts as they are introduced The activities are equally appropriate for children with learning delays

Activities for Building Character and Social-Emotional Learning Grades 1-2 Katia S. Petersen, 2012-04-01 Build attitudes of respect and caring reduce problem behaviors empower students to solve problems and educate the whole child with this flexible user friendly activity guide The lessons literature based connections allow teachers to build in rather than add on social emotional learning SEL throughout the day Field tested in classrooms across the United States these activities when fully implemented have resulted in improved school climate greater parent engagement increased academic achievement and reduction in discipline referrals Features of the book include 100 easy to implement year round activities that integrate into the daily curriculum in all subject areas Monthly themes focused on empathy bullying prevention teamwork decision making and more Concise lesson formats Read Discuss Do Relate Discussion and writing prompts Built in assessments Digital content includes all of the book's reproducible forms
