Deeper Revelations Of The Anointing Apostle Frequency Revelator, 2017-06-28 The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word anointing Dozens of books have been written and countless messages preached on the subject of the anointing yet for all the attention the subject is given it is one of the least understood gifts God has freely bequeathed upon every believer in Christ Although the anointing is the current church's diet and a delicate recipe for living a naturally supernatural life the masses are starving for the anointing of the Holy Spirit Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing the empty husks of humanism intellectualism and religion have failed to launch the world into greater depths of the miraculous Therefore this book presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits With considerable depth insight revelation and wisdom the author has therefore provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ This writing will therefore function as a blueprint to not only understanding the greater depths of the anointing but also to unveiling the mystery of the operation of the new waves of the anointing which God is unleashing in this end time season which marks the conclusion of God's eternal plan for planet earth This book contains a flood of revelations coupled with practical demonstration of 50 different types of the anointing that will ignite the blazing fire in your spirit and change your life forever It brings us to a melting pot of understanding of the anatomy and physiology of the anointing without which Christianity would only be limited to a mechanical operation devoid of God's power Therefore the reading of this book will culminate in the following spiritual realities Firstly it will provoke an unprecedented stream flow of God's power for you to move in miracles signs and wonders Secondly it will precipitate a flood of revelations upon your spirit and saturate you with high volumes of the anointing to the brink of full spiritual capacity Thirdly it will open your mind to the scriptures and cause you to understand the word of God in ways you have never dreamed possible Lastly it will propel you into the future elevate you into the higher dimensions of excellence and catapult you into higher realms of God's presence like never before Against this background I therefore encourage you to read this book meditatively to allow these truths to sink into the depths of your being Colloquially speaking sit on the edge of your seat and fasten your seat belt as you walk with the author through this anointed book This is a man who has an insatiable hunger to see the ushering in of the Kingdom of God through ordinary people with radical faith people who believe they are cutting edge world changers because of the anointing that they have been given If you want an unprecedented wave of power coupled with measureless volumes of the anointing to flood your life and ministry in ways that you have never witnessed before continue to plunge into the depths of a flood of revelations encapsulated in this book as you read this book the liquid rain of the anointing shall precipitate upon you and saturate your spirit to the brink of full spiritual capacity as you read through you will literally absorb the anointing from the pages of this

book into your spirit such that results will immediately manifest through a practical display of signs and wonders Author
