Chosen Chronicles Of An Alien Abductee:

Chosen Byron W. Lacy, 2015-10-27 Can you imagine the helplessness and fear that a five year old would feel when he is first visited by extraterrestrials How about the look on his parents faces when he confesses his alien encounter Chosen Chronicles of an Alien Abductee is Byron W Lacy s firsthand account of what modern science insists is only folklore The first encounters come when he is young with little men entering the room as he hugs his teddy bear They masquerade as cartoon characters to ease his concern a dancing Captain Hook minus the hook joining his comrades Future visits lead to psychic connections with his visitors Admitting such encounters takes courage especially when similar comments by a family member placed her in a mental hospital But Lacy lays it all out on the table as he details what it s like to be an alien abductee Chosen Chronicle of an Alien Abductee isn t just for the disbelievers It s a free discussion of Lacy s experience one meant to encourage other abductees through their own moments of skepticism both from others and within Discover the truth and let it set you free

Chronicles of a Cabin Crew Soraia Naves Nakib, 2012-06 Chronicles of a Cabin Crew took almost two years to be concluded It is the sequel of Underneath a Flight Attendant which is Soraia s biography and first novel The author emphasizes the importance of some chapters on the introduction foreword of the book Nostradamus s chapter is one of those also mentioned in the cover of this book Soraia comes from a psychic medium family and is openly sharing her premonitions for the near future 2013 14 with the world She also finds herself very funny and loves to bring laughter into others people s lives She s created this extroverted book that will entertain you and make you laugh rather than being just about her serious paranormal experiences I keep telling people that I have no hidden agenda rather trying to spread the truth My premonitions have never betrayed me If I m looking forward to becoming famous it is only with the purpose to enable my message to be heard and accepted without skepticism I believe that we are at the edge of an era lacking love but mostly understanding of God

The Prophet to Zion David Logan Graham, 2013-11-27 The next stage of human evolution will not be of the physical but from consciousness itself Follow the life of Tyler Grey as a child his beliefs made him the outcast from others his only friend was Fogrill a channeled spirit guide who taught Tyler the ways of the SHAMAN Teachings that were crucial in Tyler s survival to overcome a multitude of paranormal events from mysterious grey figures that visit him in the night to lucid dreams and lurid nightmares that shaped his reality Growing up is never easy but the burden is eased with remarkable friends and the memories of another life saturated in magical teachings His past and destiny entwine in a kaleidoscope of events the vision of lost love that haunts Grey to reunite a kindred flame Demons angels aliens and all manor of being become foes and allies whilst clandestine plans of the worlds oldest secret societies are revealed The world plummets toward a cataclysmic trap from the dark forces that have remained hidden in human history can the will of the few change our worlds dark destiny
