Patrick Ng,2015-02-25 I was motivated to write about my life journey problems that I went through being prompted by the calling of our Lord Jesus Christ Through his mother Mary I felt a great urge to let people know of how he had helped me to overcome all my earthly problems The problems of my life journey started when I became aware of the happenings around me starting at age five through to my open heart bypass in the year 2000 when I was fifty three years old Help came sometimes when I most needed from Jesus our Saviour Jesus had also helped me in my studies as well as in my career I was taught how to conquer fear sorrow depression and mental blocks Temptations were also strong when one is down but the faith that you

hold strongly will see you through Physical pain can also be overcome if you have faith Trust in God is the key word For all inspiration motivation strength and love come from him above if only you call My life journey has not yet ended and my second heart bypass is yet to be seen if God would help me Amen *Our Sufficiency in Christ* John MacArthur,1998-07-10 Christ's divine power has granted to us everything pertaining to life and godliness 2 Peter 1:3 Pure Christianity needs no embellishment whatsoever We find complete sufficiency in Christ and His provision for our needs But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today's complex world So they look for something more an emotionally exciting and self edifying experience not found in God's Word This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences causing many modern believers to mix biblical truths with seemingly helpful man made methods such as mysticism and psychology As a result they wallow in a watered down pseudo Christianity that has been drained of its vitality effectiveness and security In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error It will make you newly aware of how completely God provides and give you a renewed understanding of what it means to be complete in Christ *Christian Medicine* Christopher Kolker
