Hayward,2015-08-15 Devotees of Fr Cherubim Jones Demand his Immediate Canonization and Full Recognition as Equal to the Heirophants Adamant devotees of Fr Cherubim Jones demand immediate canonization and full recognition as Equal to the Heirophants They have stepped beside their usual tactics of demanding canonization whether or not Fr Cherubim should be canonized and demanding that any problems be swept under the carpet to insist that he be called Equal to the Heirophants Much of the work in his wake was consolidated in the book Christ the Eternal Doubt Our devotee explained Blessed Cherubim Jones saw more than anything the spiritual toxicity of postmodernism And he sensed perhaps even more than he realized that the proper rebuttal to postmodernism is to reconstruct modernism indeed there are powerful modernist currents in his thought even when he seems to condemn all Western trends The great grandfather of modernism was Ren DesCartes and Blessed Cherubim Jones uncovered layer after layer of this philosopher whose very name means Born Again and whose Meditations put doubt on a pedestal and said in essence Doubt what you can what remains after doubt is unshakable And or Logos is interchangeable one might almost say homoousios with logic and with doubt And to quench the ills of the postmodern world Blessed Cherubim Jones mined a vein that would come together in the classic Christ the Eternal Doubt Fr Cherubim has left a considerable wake the tip of the iceberg is in his contribution to a wave of committed Evangelicals deciding that being Orthodox is an indispensable aid to pursuing their cottage industry of reconstructing the ancient Church The sycophant excitedly commented Yes there was an article on this phenomenon in The Onion Dome It was a bit like that article in The Onion um what was it there was a woman a strong woman who overcame years of childhood abuse to become a successful porn star And this is nothing next to what happened when he was the only fashionable Orthodoxy the communist East could listen to Fr Cherubim was indeed very concerned that his version of the Fathers be adhered to He pointed out that many Church Fathers in giving the theology of the created world absolutely denied that matter was made from atoms and molecules but insisted that science properly interpreted proves that matter was made from the four elements earth air fire and water And he drew a line in the sand here and most of his Cherubinian devotees are extraordinarily suspicious about whether you can be Orthodox and believe anything like modern atheistic chemistry There is some slight controversy surrounding Fr Cherubim s teaching on the phantom tollbooth His position as carried forth by others is that practically every major element of The Phantom Tollbooth is already in the Fathers and is attested in quite ancient liturgy Consequently many argue the book The Phantom Tollbooth is no mere imaginative children s tale but an entirely literal factual account describing life beyond the mundane But as much as Fr Cherubim tried to break free of Western tendencies the concensus among non Cherubinians that part of his spiritual ambience and a legacy among Cherubinians is in the words of one striking television commercial wacky wild Kool Aid style Sapphire Sphere: Portal to Eternity Norbert H. **Around the Table** Jonathan P. Case,2019-06-21 In these days of uncivil public discourse complete with trolling hater comments CAPSLOCKING and generally acting like jerks towards each other talking graciously about anything is becoming a lost art Throw religion into the mix Well my Bible says and you ve got one huge toxic mess Is it possible for Christians to become more thoughtful and gracious conversation partners as we talk through our theological disagreements How can we keep from throwing around the term heretic every time someone disagrees with us And remember it s a big world out there If arguing with other Christians isn t difficult enough how do we think about engaging members of other religions What s the point of talking with them They don t know God anyway right Then there are all those agnostics and atheists accusing believers of ignorance and calling for the end of religion Why should we even want to talk with these people Aren t they our enemies What can we possibly learn from them In this book Jonathan Case explores from a Christian theological perspective what s at stake in these conversations and suggests how to keep people talking through their disagreements about that most volatile subject God

**A Philosopher Looks at Jesus** Edward J. Machle,2008-03-01 This book is the response to a lifetime of questions raised by fellow philosophers by students and by the author s own wrestlings Since the author claims that Jesus s importance goes beyond his being just a moral teacher Edward Machle discusses the difference between the foundations of philosophy and of theology and how the disciplines of philosophy and theology use language differently Then Machle goes on to present his somewhat unorthodox evaluations of the four gospels and their relevance rejecting for instance claims of a Q document and dating Matthew later than Luke Since any account of Jesus must assume that before Jesus appears in the records he had a distinctive development two admittedly fictional narratives follow preparing for distinctive emphases in the author s later discussions of frequently met problems about Jesus s birth miracles aims and death Machle lays unusual emphasis on the centrality of the title Son of Man for Jesus Extensive discussions of the resurrection narratives and questions about them follow leading to a unique treatment of John s Prologue The last three chapters deal with Jesus s relation to modern belief and life
