Interpretation and Application Craig Brian Larson, 2022-05-03 How does one best make ancient biblical texts pertinent to the 21st Century listener while still maintaining the integrity of the Scriptures Interpretation and Application is designed to provide guidance on how to interpret and apply God's word honestly and accurately in a sermon This collection of short interviews essays and sermons is from today's best known preacher's including Jeffrey Arthurs Haddon Robinson

Joshua Harris David Jackman and John Henry Beukema The first section addresses important ways to ensure that your sermon doesn't ignore or mishandle God's word Chapters such as Let the Text Question Your Framework and Preaching the Melodic Line emphasize the importance of biblical truth over personal style or opinion and focus on drawing out the deeper themes within Scripture The second half addresses how the Bible intersects with real life because application is about explaining equipping and truly speaking to the hearts of the congregation Chapters like Blending Bible Content and Life Application and Sermon Application in a Post Christian Culture address how to preach accurately from the Bible while still having a regard for the listener's life questions and level of spiritual maturity **Preaching** Timothy Keller, 2015-06-09 Pastor preacher and New York Times bestselling author of The Prodigal Prophet Timothy Keller shares his wisdom on communicating the Christian faith from the pulpit as well as from the coffee shop Most Christians including pastors struggle to talk about their faith in a way that applies the power of the Christian gospel to change people's lives Timothy Keller is known for his insightful down to earth sermons and talks that help people understand themselves encounter Jesus and apply the Bible to their lives In this accessible guide for pastors and laypeople alike Keller helps readers learn to present the Christian message of grace in a more engaging passionate and compassionate way Anointed Expository Preaching Stephen Olford, 2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word Preaching with Accuracy Randal E. Pelton, 2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well Preaching with Accuracy provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation Pelton then guides the preacher through applying a Christ centered hermeneutic that will result in biblical sermons that benefit and equip believers The Gospel According to Micah Dr. Micah L. Caswell, 2022-11-08 Most people do not understand elements of the gospel that are emphasized in the minor prophets For example without the minor prophets we are at risk of not cherishing or fearing the day of the Lord Joel 2 Likewise we'd fail to understand and appreciate themes like the wrath of God Micah 2:3 and social justice Micah 6:8 in light of the Christ event Micah is often overlooked but this commentary presents a compelling case for why he matters The author argues that while Micah is often lumped in with minor prophets he deserves to be taught on his own He also suggests that while many have read and preached Micah they have missed the gospel For instance a minor prophetic book like Micah is sometimes used by advocates for social justice to advance a progressive social gospel agenda which runs the risk of applying the text in a way that urges people toward progressive political positions disconnected from Jesus Take Micah back and marvel at the glory of the Lord with the insights and commentary in The Gospel According to Micah **Christocentric**

Preaching Meets the Historical Jesus Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society. This is due to the convincing theological justification, practical guidance, and demonstrative examples of Christocentric sermons from three North American scholars: Sidney Greidanus, Edmund Clowney, and Bryan Chapell. Its popularity, however, has not made this approach immune to criticism. Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level, having repetitive sermon goals, and delivering sermons that lack adequate application among other things. The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric. This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology. In doing so, it points out that the Christocentric homiletic is embedded in a Christology from above, contributing to its strengths and weaknesses. This book suggests that if the Christocentric method takes the Christologies from below of N. T. Wright and Wolfhart Pannenberg seriously, it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon. It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric. [Preparing Sermons from the Page to the Pulpit](#) Wayne Baxter, 2023-12-06 A step-by-step guide to preparing effective expository sermons. [Preparing Sermons from the Page to the Pulpit](#) helps pastors move from study to sermon in seven clear steps. Pastors love studying God's word, but it can be difficult to take the things they've learned from exegesis and apply them to the soul of a congregation. Veteran pastor and seminary professor Wayne Baxter helps pastors move from study to sermon. He guides preachers on how to take their exegetical analysis of a Scripture passage and turn it into an effective expository sermon. Preachers and seminarians will be helped by Baxter's expertise as they grow in crafting compelling sermons. [The New Interpreter's® Handbook of Preaching](#), 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery. This resource is both scholarly and practical. It focuses on the most distinctive feature and greatest strength of homiletics as a discipline. It is rooted in interdisciplinary scholarship and it develops theory geared to practice. Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition. When theory and practice critique each other, it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel. Excellence in standards is an area in which homiletics needs to grow, and this project will be both a means to encourage and develop it. A guiding question throughout will be: Will it preach? The answers will be offered in the sense that here is something that works well rather than here is something to try. Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics, brief bibliographies of relevant key books and articles, along with practical methodological suggestions for preachers to employ. The contributors are homileticians, preachers, and writers.

in various disciplines who are committed to the pulpit through practice *Teaching the Faith, Forming the Faithful* Gary A. Parrett, S. Steve Kang, 2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries Preaching Jason C. Meyer, 2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it is so important exploring the concepts canonical development and relevance for key doctrines *The Preacher as 'First Listener'* Filip De Cavel, 2020-07-15 The preacher's weekly assignment is brutally repetitive Fill the blank page by Sunday at least twice a month if not even more This book offers a biblical theological and empirical grounding to support the preacher's self-reflective listening and sermonizing practices in order for the preacher to be aware of his/her spirituality of listening and discernment **Preaching Through Time** Casey C. Barton, 2017-07-28 As preachers who come to the pulpit before God and before God's people each and every week how do we make sense of the text as we live a new moment of its ongoing story Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths experiences or realities But the gospel is the drama of God appearing to and working with and loving God's people in time Preaching Through Time gives the preacher a timely homiletic for preaching together the times of God's gospel then and now while calling God's people to perform their own roles in today's moment of that gospel drama Anachronism preaching together the moments of God's drama is the language event that will get us from text to timely sermon week by week **Preaching Hebrews** Douglas D. Webster, 2017-10-09 Hebrews is a powerful meditation on the gospel It is a sixty minute sermon delivered to a worshipping congregation The spiraling impact of theological exposition and pastoral exhortation is impressive Hebrews weans us away from our preoccupation with the start of the Christian life and focuses our attention on the perseverance of faith Life is not a sprint it is a marathon Faithfulness to the end affirms faith from the beginning If we let the word of God have its way with us Hebrews will deepen our faith in Christ and strengthen our faithfulness Like Jesus in the Gospels Hebrews sees the fundamental difference between apostasy and faithfulness as the difference between a religion about God and a Christ-centered relationship with God Any form of Christianity that competes like other religions for the attention of its adherents through its rituals practices pastors traditions and sacred spaces has fallen back into an obsolete and worldly strategy The pastor calls for a decisive end to religion even the best religion ever conceived The flow of reasoned argument for Christ and against religion along with the pulsating emotional intensity of ultimate issues laid bare and heart-felt warnings against complacency and unbelief deliver a powerful and timely message **Preaching in Pictures** Peter Jonker, 2015-05-19 The preacher's words are meant to connect to resonate with and influence hearers Too often sermons fall short Preaching in Pictures Using Images for Sermons that Connect shows how to choose use and illustrate a controlling image in every sermon

Readers learn how one effective image can cause the proclaimed word to sink in and transform the listener Peter Jonker helps readers to build skill and confidence with practical instruction examples and straightforward teaching Good preaching isn't just the dissemination of information it is a conduit of Spirit empowered formation Such formative preaching doesn't convince the intellect it captures the imagination A controlling image has the power to do just this to capture the imagination Peter Jonker invites preachers to understand and to effectively use controlling images for formation of the hearer This great book is erudite and accessible theoretically grounded and yet intensely practical complete with exercises I'll be pointing preachers to it from now on James K A Smith author of *Desiring the Kingdom* Worship Worldview and Cultural Formation *Preaching in Pictures* opened eyes of my imagination I can't wait to write my next sermon Heidi DeJonge Pastor Westside Fellowship Christian Reformed Church Kingston Ontario Peter Jonker offers preachers practical ways to connect the gospel in the hearts of listeners with a wealth of helpful examples This is a fresh and welcome perspective just the book for preachers whose sermons have reached their shelf life and are in need of new energy John Michael Rottman Professor of Preaching Calvin Theological Seminary Same balanced assured but also strikingly insightful Peter Jonker's writing is a sheer gift to anyone interested in eventful preaching Every page is worth pondering Jonker writes with great verve and authority Cornelius Plantinga Jr Author of *Reading for Preaching* *The Preacher in Conversation with Storytellers Biographers Poets and Journalists*

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the *Missio Dei* In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching *The Drama of Preaching* interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word
