Christian Devotedness:

Christian Devotedness Anthony Norris Groves, 2019-12-02 In *Christian Devotedness* Anthony Norris Groves presents a compelling exploration of the theological underpinnings of spiritual dedication and altruism within the Christian faith. Written in a clear yet profound style, Groves combines scriptural insights with personal reflections, offering a rich articulation of the necessity for total commitment to God. Contextually, this work arises in the 19th century, a time marked by burgeoning evangelical fervor and the corresponding emphasis on personal piety, missionary zeal, and community involvement, which Groves passionately argues should stem from an unwavering devotion to Christ. Anthony Norris Groves, a pivotal figure in the Plymouth Brethren movement, was deeply influenced by his own experiences of faith and service. His missionary journeys and dedication to authentic discipleship led him to understand the essence of Christian life as one marked by self-sacrifice and love. Groves's background as a dentist, coupled with his fervent belief in the power of divine grace, fueled his desire to guide others toward a deeper spiritual life, making him exceptionally qualified to write on this theme. For anyone seeking to deepen their faith and explore the transformational potential of devotedness in the Christian life, *Christian Devotedness* is an essential read. Groves's insights provide not only theoretical foundations but also practical applications for living a life that genuinely reflects one's commitment to God and service to others.

Christian Devotedness Anthony Norris Groves, 2014-12-26 *Christian Devotedness* by Anthony Norris Groves is a text of Christian faith and a religious classic that has influenced Christian leaders such as Georg Müller, Watchmen Nee, Georg Verwer, William MacDonald, Bakht Singh, and others. But a Family left by our labour and contrivance in a situation in which, as our Blessed Lord himself declares, it is all but impossible that they should be saved. 5 presents an object of contemplation widely different. Alexander REID, 1856 Meditations on Christian Devotedness Andrew Miller, 2015-02-21 While many in the present day are teaching and writing much on the important subjects of consecration, devotedness, and holiness of heart and life, and while many are more or less affected by the general interest which these inquiries are creating, it may be well for thee, my soul, to retire for a little into the sanctuary of thy Lord's presence and there learn what has been long written

Stunt,2015-08-31 Timothy C F Stunt has gathered a range of his essays both published and unpublished in a collection of largely biographical studies His subjects range from discontented Quakers hesitating over their identity to respectable Anglicans who were fascinated with the charismatic phenomena of tongue speaking and healing Some of the characters with whom he is concerned can be described as mavericks on account of their strikingly individualist inclinations Occasionally their unpredictability takes on a quasi comic identity which could even qualify them to be described as loose cannons On the other hand some of them like Edward Irving Norris Groves and John Darby played a crucial part in the development of nineteenth century evangelicalism In their quest for the ideal church of their dreams they were often disappointed but one cannot but admire the single mindedness of their quest *The Christian Witness, and Church Member's Magazine* ,1859
