The Writer and the Cross Darren J.N. Middleton, 2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book

surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction

The Dawkins Delusion? Alister McGrath, Joanna Collicutt McGrath, 2007-05-25 World renowned scientist Richard Dawkins writes in *The God Delusion* If this book works as I intend religious readers who open it will be atheists when they put it down The volume has received wide coverage fueled much passionate debate and caused not a little confusion Alister McGrath along with his wife Joanna are ideal to evaluate Dawkins s ideas Once an atheist himself he gained a doctorate in molecular biophysics before going on to become a leading Christian theologian He wonders how two people who have reflected at length on substantially the same world could possibly have come to such different conclusions about God McGrath subjects Dawkins s critique of faith to rigorous scrutiny His exhilarating meticulously argued response deals with questions such as Is faith intellectual nonsense Are science and religion locked in a battle to the death Can the roots of Christianity be explained away scientifically Is Christianity simply a force for evil This book will be warmly received by those looking for a reliable assessment of *The God Delusion* and the many questions it raises including above all the relevance of faith and the quest for meaning

Understanding the Divide Lyle K. Weiss, Thomas M. Tasselmyer, 2018-05-09 In **Understanding the Divide** A Presbyterian Elder a Roman Catholic Theologian and Basic Questions of the Christian Faith a Presbyterian Elder and a Roman Catholic theologian reflect in dialogical fashion on basic but critical dimensions of contemporary Christian faith How should we interpret the Bible How do we get to heaven What are sacraments and what is their function Who are the saints and what role if any do they continue to play in the life of the Christian community Tom Tasselmyer a Ruling Elder in the Presbyterian Church in America and Lyle K Weiss a Roman Catholic theologian respond to these and other questions offering two distinct contemporary visions of an ancient faith In alternating chapters Tom and Lyle engage in dialogue concerning basic questions of Christian faith from Reformed and Roman Catholic perspectives providing readable intelligible and accessible answers to questions believers are asking while simultaneously stimulating ongoing thought and fostering mutual respect between two rich traditions within the broader Christian family

Receptive Ecumenism and the Renewal of the Ecumenical Movement Antonia Pizzey, 2019-05-15 Receptive Ecumenism is a ground breaking new ecumenical approach widely regarded as having the potential to revitalise the Ecumenical Movement But what is Receptive Ecumenism Why is it important In **Receptive Ecumenism and the Renewal of the Ecumenical Movement** Antonia Pizzey offers a comprehensive systematic analysis of Receptive Ecumenism While still emerging Receptive Ecumenism is highly promising because it prioritises the need for ecclesial conversion Pizzey explores the scope and complexity of Receptive Ecumenism providing much needed clarity on its aim key developmental influences and distinctiveness as well as its virtuous character and relationship with Spiritual Ecumenism The major implementations of Receptive Ecumenism to date are investigated along with its significance for the future of ecumenism especially regarding its engagement with contemporary challenges

Eschatological Discipleship Trevin Wax, 2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one's evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability

to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus *The Teaching Ministry of the Church* William Yount,2008-08-15 Updated and expanded the second edition of *The Teaching Ministry of the Church* offers churches a step by step plan for establishing and maintaining effective teaching methods for every age

Donne's God P.M. Oliver,2018-05-15 His contemporaries recognised John Donne 1572 1631 as a completely new kind of poet He was wrote one enthusiast Copernicus in Poetrie But in the winter of 1614 15 Donne abandoned part time versification for full time priestly ministry quickly becoming one of the most popular preachers of his time While his verse has never been short of modern admirers his sermons have recently begun to receive their full share of serious attention Yet there exists almost no theologically informed criticism to assist readers with navigating let alone appreciating the intricacies of Donne s religious thinking The need for such criticism is especially urgent since many readers approach his writing today with little previous knowledge of Christian doctrine or history This book supplies that deficiency Starting from the assumption that theology is inevitably the product of the human imagination a perception that is traced back to major early Christian writers and something that Donne implicitly acknowledged it probes the complex amalgam that constituted his ever shifting vision of the deity It examines his theological choices and their impact on his preaching analysing the latter with reference to its sometimes strained relationship with Christian orthodoxy and the implications of this for any attempt to determine how far Donne may legitimately be viewed as a mouthpiece for the Jacobean and Caroline Church of England The book argues that the unconventionality that characterises his verse is also on display in his sermons As a result it presents Donne as a far more creative and risk taking religious thinker than has previously been recognised especially by those determined to see him as a paragon of conventional Christian orthodoxy **A Sense of Belonging** Hilton Scott,2022-03-08

This book takes an interdisciplinary approach to a societal challenge that both affects and is affected by the church in multi racial multi cultural and otherwise pluralistic communities In certain contexts around the world there are pertinent examples of the struggles that come with learning to live together in the midst of diversity and plurality such as the post apartheid Republic of South Africa However these more often than not racial and cultural struggles could be eased by developing worship services that are more relevant and inclusive This in turn should instil a sense of belief and a way of inclusive thinking culminating in more inclusive living The approach developed in this book stems from the aphorism *lex orandi lex credendi lex con vivendi* or as we pray so we believe so we live together **A House Divided** Geoffrey W. Sutton,2016-03-29 *A House Divided* helps answer the question how do Christians form moral judgments about sex linked issues After analyzing key differences between conservative and progressive Christians on such divisive issues as abortion sex education and same sex marriage readers will learn how a combination of four factors can lead to principled Christian morality First a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen

differences Second a review of psychological factors can help identify prejudices personality traits and powerful emotions that intensify and color public debate Third new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments And finally knowledge about sexual attraction sexual orientation conception and sexual health is vital to thinking ethically about the specific issues addressed in this book
