In this book, the author of the million-selling *Every Man's Battle* series courageously exposes what nearly 4,000 men like you said they think, feel, and question about themselves, their work, their marriage, and family, their finances, and their faith, but don't dare to talk about. He also affirms again and again that the strength it takes to keep your secrets safe can be redirected to make a better life and a stronger you. Throughout these pages, Arterburn not only fleshes out each of twenty-five secrets but gives perspective on where those secrets come from, why they feel so important, and how to respond to them to make life, love, work, and leadership easier for you and for everyone who loves you.
