marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book s main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question     Betrothed G-S Ifeanyi Achebe,2011-06-10 This book inter alia tries to encourage young people to first know themselves and each other and save sex for marriage because sexual intimacy during the first date blurs vision and leads to warped reasoning The author believes the traditional betrothal process of the Igbo tribe helps prevent incest and helps the woman save her virginity self esteem and dignity     Restoring Trust Peter C.
