**Christianity, Democracy, and the American Ideal** Jacques Maritain, 2005 Some Americans claim we should exclude Christian values from the public square On the contrary argues philosopher Jacques Maritain good Christians make good citizens They live by gospel values honesty integrity and compassion They obey the law They resist the selfishness that unbelief and materialism breed And they subordinate their own interests to the common good No wonder says Maritain that American democracy which arose from a Christian people has served so well and lasted so long Here Maritain shows that in a society unleavened by religious ideals an enduring democracy can never take root And once a religious people abandons its faith even the greatest democracy must wither and die Untethered from transcendent values democracy becomes little more than a struggle to be won by the most powerful and the ruthless The hour is late Too long have we stood by while politicians promise never to let their religious beliefs infl

Spiritualizing Politics without Politicizing Religion James R. Price, Kenneth R. Melchin, 2022-03-31 The clash of religion and politics has been a steady source of polarization in North America In order to think wisely and constructively about the spiritual dimension of our political life there is need for an approach that can both maintain the diversity of belief and foster values founded on the principles of religion In Spiritualizing Politics without Politicizing Religion James R Price and Kenneth R Melchin provide a possible framework approaching issues in politics via a profile of Sargent Shriver 1915 2011 an American diplomat politician and a driving force behind the creation of the Peace Corps Focusing on the speeches Shriver delivered in the course of his work to advance civil rights and build world peace Price and Melchin highlight the spiritual component of his efforts to improve institutional structures and solve social problems They contextualize Shriver s approach by contrasting it with contemporary landmark decisions of the U S Supreme Court on the role of religion in politics In doing so Spiritualizing Politics without Politicizing Religion explains that navigating the relationship of religion and politics requires attending to both the religious diversity that politics must guard and the religious involvements that politics needs to do its work
