## **Christians Quest An Urban Adaptation Of Pilgrims Progress:**

**Christian's Quest** Jacqueline Busch, Melvin Patterson, 2012-09-01 Christian's Quest is a fresh retelling of the classic allegory Little Pilgrim's Progress. Christian is on an epic quest from the City of Destruction to the Celestial City. The road is long and difficult and many interesting characters show up along the way. Some of his companions help Christian and encourage him in his quest while others try to point him back to the City of Destruction. Will Christian make it to the Celestial City? Join Christian in this adventure-filled quest to find out. Christian's Quest comes loaded with helpful features: discussion questions, an appendix of unfamiliar words, an allegorical key, and realistic black and white ink illustrations throughout. These tools ensure that each person joining Christian in his quest will have all he or she needs to understand the story behind the story, the Gospel message in all of its relevance to our everyday lives.

**Into the Pilgrimverse** Andy Draycott, 2025-07-18 Join the Narrator and Mr. Researcher as they recruit characters from John Bunyan's *The Pilgrim's Progress* to explore the book's extensive afterlives into the Pilgrimverse. Readers will hear expedition reports mapping the range of historic and contemporary reception of this spiritual classic. Be ready to explore the varied formats of books and adaptations: graphic novels, illustrations, board games, music, albums, movies, and more. The journey will touch on issues of biblical fidelity, missions, gender, race, and sexuality and will cross over from elite art to popular culture. This book is for long-time lovers of *The Pilgrim's Progress* and new or simply curious readers. Go ahead and jump in. But watch out for giants.

**The Theological Dickens** Brenda Ayres, Sarah E. Maier, 2021-11-18 This is the first collection to investigate Charles Dickens on his vast and various opinions about the uses and abuses of the tenets of Christian faith that imbue English Victorian culture. Although previous studies have looked at his well-known antipathies toward Dissenters, Evangelicals, Catholics, and Jews, they have also disagreed about Dickens' thoughts on Unitarianism and speculated on doctrines of Protestantism that he endorsed or rejected. Besides addressing his depiction of these religious groups, the volume's contributors locate gaps in scholarship and unresolved illations about poverty and charity, representations of children, graveyards, labor, scientific controversy, and other social issues through an investigation of Dickens' theological concerns. In addition, given that Dickens' texts continue to influence every generation around the globe, a timely inclusion in the collection is a consideration of the neo-Victorian multimedia representations of Dickens' work and his ideas on theological questions pitched to a postmodern society.

**Science Fiction Literature through History** Gary Westfahl, 2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics, authors, works, and subgenres written by a distinguished scholar. Its focus is on science fiction in the English language, though due attention is given to international
