Multicultural and International Approaches in Social Work Practice Kui-Hee Song, 2016-09-26 Building upon the author s integrative and interactive ideas about human services fields this book presents an intercultural perspective of social work education practice and research with culturally linguistically relationally underprivileged minority groups in the local and global communities to show how the synthesis of theories from postmodern social constructionism multiculturalism and international organization empowerment can be applied when working with Asian immigrant families This book also

demonstrates how a mutual development model of intercultural organizational institutional collaborative partnership can be relevant when providing an International Experience for Human Services Abroad Course Author Kui Hee Song uses in depth case studies in the culturally linguistic and diverse context of human services fields and in the cross nationally interactive context of host country human services organizations and home university academic administrations Kui Hee Song examines the clinical change process of a Korean immigrant family that is working with Child Protective Services seeking to resolve physical child abuse problems and generate new meanings in parent child relationships through therapeutic conversational dialogue As the new to this edition a case of Ming s story is especially the cultural differences between the Chinese immigrant client family and American medical setting where practitioner s personal beliefs were challenged Kui Hee Song critically examines specific steps to take in establishing intercultural service learning field placements for an experiential learning education abroad course Song explores the significant leadership roles and responsibilities of host country human services organizations and home university administrators involved with making a new international human services experience abroad program planning implementation and evaluation Specially Song provides a profound understanding of the empowerment process of a Korean family a conversational partnership in dialogue that invites the clients to speak their loud hitherto unheard voices and enhance a personal perception of competency for action and hope Song also gives a thoughtful comprehension of a mutual empowerment process of cross national collaborative partners differential responsibilities but mutually shared power vision and goals in working relationship that allows for each collaborator to stand together in unity of transactional and transformational leadership behaviors and strengthens the sustainability of the effective international human services experience abroad program *Mindfulness in the Classroom* Thomas

Armstrong,2019-07-18 In today s schools students and teachers feel unprecedented even alarming levels of stress How can we create calmer classrooms in which students concentrate better and feel more positive about themselves and others Author Thomas Armstrong offers a compelling answer in the form of mindfulness a secular practice he defines as the intentional focus of one s attention on the present moment in a nonjudgmental way In *Mindfulness in the Classroom* Armstrong Explains how mindfulness affects the structure and function of the brain Provides an overview of mindfulness as both a personal practice and a classroom methodology that aligns with such educational models as Social and Emotional Learning SEL Positive Behavioral Intervention and Supports PBIS and Universal Design for Learning UDL Shares and explains the extensive research that shows the positive effects of mindfulness practices in the classroom Describes how to adapt mindfulness for different grade levels integrate it into regular school subjects and implement it schoolwide Offers guidelines for teaching mindfulness responsibly without religious overtones Dozens of observations from teachers students researchers and practitioners provide striking evidence of the power of mindfulness and offer hope to anyone who wants to make classrooms more productive places of learning Essentials of Consumer Behavior Debra L. Stephens,2016-10-26

Essentials of Consumer Behavior offers an alternative to traditional textbooks for graduate students. Shorter than competing books but no less rigorous, it includes unique material on vulnerable consumers and ethics. Balancing a strong academic foundation with a practical approach, Stephens emphasizes that consumer behavior does not simply equate to buyer behavior. She examines the thoughts, feelings, and behaviors that shape consumers' attitudes and motivations in relation to brands, products, and marketing messages. Providing a concise guide to the discipline, the author covers key themes such as vulnerable consumers, new technologies, and collaborative consumption. The book is supported by a rich companion website offering links to videos and podcasts, surveys, quizzes, further readings, and more. It will be a valuable text for any graduate student of consumer behavior or marketing as well as any interested consumers.

18 Things I Wish I Knew at 18

Clayton Burgett, 2024-06-21 After high school, real life comes at you pretty hard and fast. Developing the right skills and knowledge will propel your life toward success and help you avoid some of the most common mistakes. As a young adult, you will be immediately faced with some of your life's most significant and important decisions. These decisions, positive or negative, will be felt in the decades to come. Being ready to tackle adult life successfully requires learning how to set and achieve goals, find and land a job, develop marketable skills, go to college or trade school without student loans, buy a car, understand credit, develop sound people skills, and discover how to have a happy and content life. This book lays out 18 common sense things that every adult should know. Life is sometimes challenging, but having the right skills and knowledge will unlock opportunities and propel your adult life toward financial, relational, and professional success. Far from Bliss Lexi Blake, Sophie Oak, 2021-11-16 Shattered by the past, Michael Novak was a US Marshal with his whole life figured out. Right up until the woman he called partner betrayed him. He's been hiding in Bliss, CO, trying to pull himself out of the darkness. The only bright light is Lucy Carson. Something about Lucy's favorite waitress calls to him, but he can't trust his instincts anymore. Yearning for the future, Lucy has loved Tyler since they were kids, but he never seemed to feel the same way. She worried she would never want a man the way she does Ty, and then Michael grumbled his way into her world. Beyond the broody exterior, she sees a burning fire in his eyes, and she is drawn to that flame. The time is finally right. Ty knows Lucy is the one for him, but Lucy wrote him off romantically long ago. If he could get her to see him in a different light, he knows she would realize that they're perfect for each other. His obstacle is the town's reclusive former lawman, Michael. But this is Bliss. A rival can turn into a partner for the right woman. And Lucy is definitely the right woman. Ty approaches Michael with a plan to get Lucy between them. A bargain is made, and Lucy is their target. But Lucy is already in much more dangerous crosshairs. Murder has come to Bliss, and Lucy is at the center of the investigation.

Supersizing Urban America Chin Jou, 2017-03-15 Supersizing Urban America reveals how the US government has been and remains a major contributor to America's obesity epidemic. Government policies, targeted food industry advertising, and other factors helped create and reinforce fast food consumption in America's urban communities.

Historian Chin Jou uncovers how predominantly African American neighborhoods went from having no fast food chains to being deluged. She lays bare the federal policies that helped to subsidize the expansion of the fast food industry in America's cities and explains how fast food companies have deliberately and relentlessly marketed to urban African American consumers. These developments are a significant factor in why Americans, especially those in urban low-income minority communities, have become disproportionately affected by the obesity epidemic. *Community College is College* M. Beth Borst, Amanda O. Latz, Samantha Lopez, Sonina Hernández Mikkelsen, Suahil R. Housholder, 2024-10-17 Combining research with firsthand experience, *Community College Is College* demystifies and destigmatizes the community college sector. This practical and accessible resource presents community colleges as an option where students who have been identified as high achieving can receive an excellent postsecondary education, often in preparation for transfer to a four-year institution or entry into a high-demand career. Covering topics such as the mission of the community college, dual enrollment, tuition and fees, transfer, and career opportunities, this book is a must-read for high school counselors, parents, and caregivers committed to providing students with a complete understanding of the higher education educational options available to them. **Food Safety** Darin Detwiler, 2020-04-30 *Food Safety Past, Present, and Predictions* offers a multidisciplinary approach on major food industry regulatory compliance changes that have emerged since the landmark 1993 E. coli outbreak. The book is broad in coverage, providing a look back at 25 years of change in order to better conceptualize the future of effective and sustainable food safety compliance efforts and technologies. Historical case studies and technological developments are written by experts and those who played key roles in events. Topics are explained in a way that not only helps improve industry and consumer awareness but also offers tools to improve education and communication. *Happy Meat* Shyon Baumann, Emily Huddart Kennedy, Josee Johnston, Merin Oleschuk, 2025-06-17 North Americans love eating meat. Despite the increased awareness of the meat industry's harms—violence against animals, health problems, and associations with environmental degradation—the rate of meat eating hasn't changed significantly in recent years. Instead, what has emerged is an uncomfortable paradox: a need to square one's values with the behaviors that contradict those values. Using a large-scale, multidimensional, and original dataset, *Happy Meat* explores the thoughts and emotions that underpin our moral decision making in this meat paradox. Conscientious meat eaters turn to the notion of happy meat to make sense of their behaviors by consuming meat they see as more healthy, ethical, and sustainable. Happy meat might be labeled grass-fed, free-range, antibiotic-free, naturally raised, or humane. The people who produce and consume it together make up the complex landscape of conscientious meat eating in modern Western societies. The discourse of happy meat ultimately may not be a sufficient response to all the critiques of meat eating rife as it is with contradictions. However, it offers a powerful case for understanding how moral boundaries and notions of the good eater are constructed through negotiations of values, identity, and status. **Creating a Place for Adult Learners in Higher Education** Amy D. Rose, Jovita M. Ross-Gordon, Carol E.

Kasworm,2023-12-29 Creating a Place for Adult Learners in Higher Education offers deep insights into how to attract teach support and retain students over the age of 25 an important yet often overlooked student group Comprehensive in scope this book covers all the main aspects of adult students relationships with higher education institutions recruitment admissions and financing course and program provision and teaching approaches and student support retention and completion The discussion is bolstered by chapters of analysis on adult student demographics including both diversities and commonalities exploration of leadership challenges and discussion of measurements of success Drawing from the most up to date research as well as practical experience and descriptions of best practices by programs historically serving adults the authors provide a broad set of strategies and recommendations to place adult students at the center of the educational process Higher education leaders practitioners and administrators will find this book an invaluable resource as they seek to better account for and support this key student group which now comprises approximately 30% of the US undergraduate population **The**
