Notes

The Chloride Compac emergency units were designed to complement the Compac exit/emergency family in looks and reliability. They allow for immediate and safe egress in low light situations and work in harmony within commercial and light industrial applications. The CLU2 two lamp head model can be adjusted to provide the optimum amount of illumination. The CLU3's center lamp head is stationary while the two side lamps can be adjusted for the perfect left and right angles. These units come standard with self-diagnostic/self-test features to assure that they are ready at any time.
