## **Choose What Frees You Other:**

*You Choose* James D. Williams, 2023-12-11 Have you ever said or been told You don't have a choice We live in a time where many believers feel that they don't have a choice and must bow to the ways of this world I hear believers saying they don't want to do something yet they say they have no choice But they do have a choice You Choose will help believers to understand they have a choice What they often don't like is the consequences of a choice You Choose looks at accounts in the Old and New Testaments showing choices made and the results of those choices Through Scripture you will discover that God gave man the ability to choose and that we always have a choice You will know the most incredible choice God has given man You will also learn of an eventual choice every living person must make **Perennial Questions J**

Krishnamurti, 2022-09-09 What is necessary is to examine unemotionally not merely intellectually the intellect doesn't solve any problem it can only invent a lot of ideas theories Nor can emotion dissipate the urgency of the problems that one has to face and resolve What is necessary it seems to me is a mind that is capable of examination To examine there must be freedom from personal views with a mind that is not guided by one's own temperament inclination nor is compelled by circumstances it seems to me that one must look at them not as an individual but as a human being the human being supercedes the individual human beings have the same common factor of sorrow of joy of unresolved miseries despairs the immense loneliness of modern existence the utter meaninglessness of life as it is lived now throughout the world if we could consider these problems as human beings then perhaps we can intelligently with care resolve our problems An extensive compendium of Krishnamurti's talks and discussions in the USA Europe India New Zealand and South Africa from 1933 to 1967 the Collected Works have been carefully authenticated against existing transcripts and tapes Each volume includes a frontispiece photograph of Krishnamurti with question and subject indexes at the end The content of each volume is not limited to the subject of the title but rather offers a unique view of Krishnamurti's extraordinary teachings in selected years The Collected Works offers the reader the opportunity to explore the early writings and dialogues in their most complete and authentic form *The Day God Created Grace* Dr. Ted Beam, 2022-12-27 The first three chapters of Genesis set the stage for the entire Bible by starting to teach the great doctrines of creation God's grace marriage angels and evil free will and how to make choices and what it means to be created in the image of God Instead of a scientific debate Dr Ted Beam offers solid scholarship with logical explanations to answer that all important question What does this mean for you and me today He answers that question over and over again as he takes us deeper and deeper into the beauty and the mystery of the garden of Eden

**Change the Human Dis-Ease** Angelique Silberman, 2007-10 When will we find and unravel the ties that bind us as humans The commitment to failure and the repetition of patterns that keep us locked in cycles of destruction Why would we have scientific principles mathematics and universal laws regarding change theories in our world if we can't do it in real life Change calls to us every moment in our individual power to choose Changing ourselves is easy when we know how Knowing

when is the most important step Will you be courageous on your journey of self discovery Let me hold the mirror for you
