Marxist

Historiographies Q. Edward Wang, Georg G. Iggers, 2015-07-16 *Marxist Historiographies* is the first book to examine the ebb and flow of Marxist historiography from a global and cross cultural perspective Since the eighteenth century few schools of historical thought have exerted a more lasting impact than Marxism and this impact extends far beyond the Western world within which it is most commonly analysed Edited by two highly respected authors in the field this book deals with the effect of Marxism on historical writings not only in parts of Europe where it originated but also in countries and regions in Africa Asia North and South America and the Middle East Rather than presenting the chapters geographically it is structured with

respect to how Marxist influence was shown in the works of historians in a particular area This title takes a dual approach to the subject some chapters are national in scope addressing the Marxist impact on historical practices within a country whereas others deal with the varied expressions of Marxist historiography throughout a wider region Taking a truly global perspective on this topic Marxist Historiographies demonstrates clearly the breadth and depth of Marxism's influence in historical writing throughout the world and is essential reading for all students of historiography

A Critical Companion to Terry Gilliam Ian Bekker, Sabine Planka, Philip van der Merwe, 2022-11-11 A Critical Companion to Terry Gilliam provides a fresh up to date exploration of the director's films and artistic practices ranging from his first film Monty Python and the Holy Grail 1975 to his recently released and latest film The Man Who Killed Don Quixote 2018 This volume presents Gilliam as a director whose films weave together an avant garde cinematic style imaginative exaggeration and social critique Consequently while his films can seem artistically chaotic and thus have the effect of frustrating and upsetting the viewer the essays in this volume show that this is part of a very disciplined creative plan to achieve the defamiliarization of various accepted notions of human and social life

Chinese Discourses on Happiness Gerda Wielander, Derek Hird, 2018-11-01 Happiness is on China's agenda From Xi Jinping's Chinese Dream to online chat forums the conspicuous references to happiness are hard to miss This groundbreaking volume analyzes how different social groups make use of the concept and shows how closely official discourses on happiness are intertwined with popular sentiments The Chinese Communist Party's attempts to define happiness and well being around family focused Han Chinese cultural traditions clearly strike a chord with the wider population The collection highlights the links connecting the ideologies promoted by the government and the way they inform and are in turn informed by various deliberations and feelings circulating in the society Contributors analyze the government's happiness maximization strategies including public service advertising campaigns Confucian and Daoist inflected discourses adapted for the self help market and the promotion of positive psychology as well as happy housewives They also discuss forces countering the hegemonic discourse different forms of happiness in the LGBTQ community teachings of Tibetan Buddhism that subvert the material culture propagated by the government and the cynical messages in online novels that expose the fictitious nature of propaganda Collectively the authors bring out contemporary Chinese voices engaging with different philosophies practices and idealistic imaginings on what it means to be happy This distinctive volume creates sustained dialogues around a substantive debate Rejecting the conventional contrasts between China and the West and yet deeply immersed in sinophone media the authors understand Chinese discourse on happiness as multiple but interconnected conversations within a globally shared production of knowledge Equally concerned with text and image they exhibit an ethnographic eye as sharp as any orthodox ethnography Deborah Davis Yale University Wielander and Hird have put together a superbly researched and thoughtfully written set of essays on the multiple ways in which that most elusive of all states happiness is understood and pursued in contemporary China A volume that should become required reading for all

interested in Chinese society today Julia C Strauss SOAS University of London Chinese Discourses on Happiness is a timely new collection of essays edited by two sinologists based in Britain Gerda Wielander and Derek Hird It explores how China's propaganda machine devotes extraordinary efforts to promoting the idea that the Chinese people enjoy good and meaningful lives under Communism precisely because economic growth alone does a poor job of generating happiness The Economist
